ALIEN VS. PREDATOR

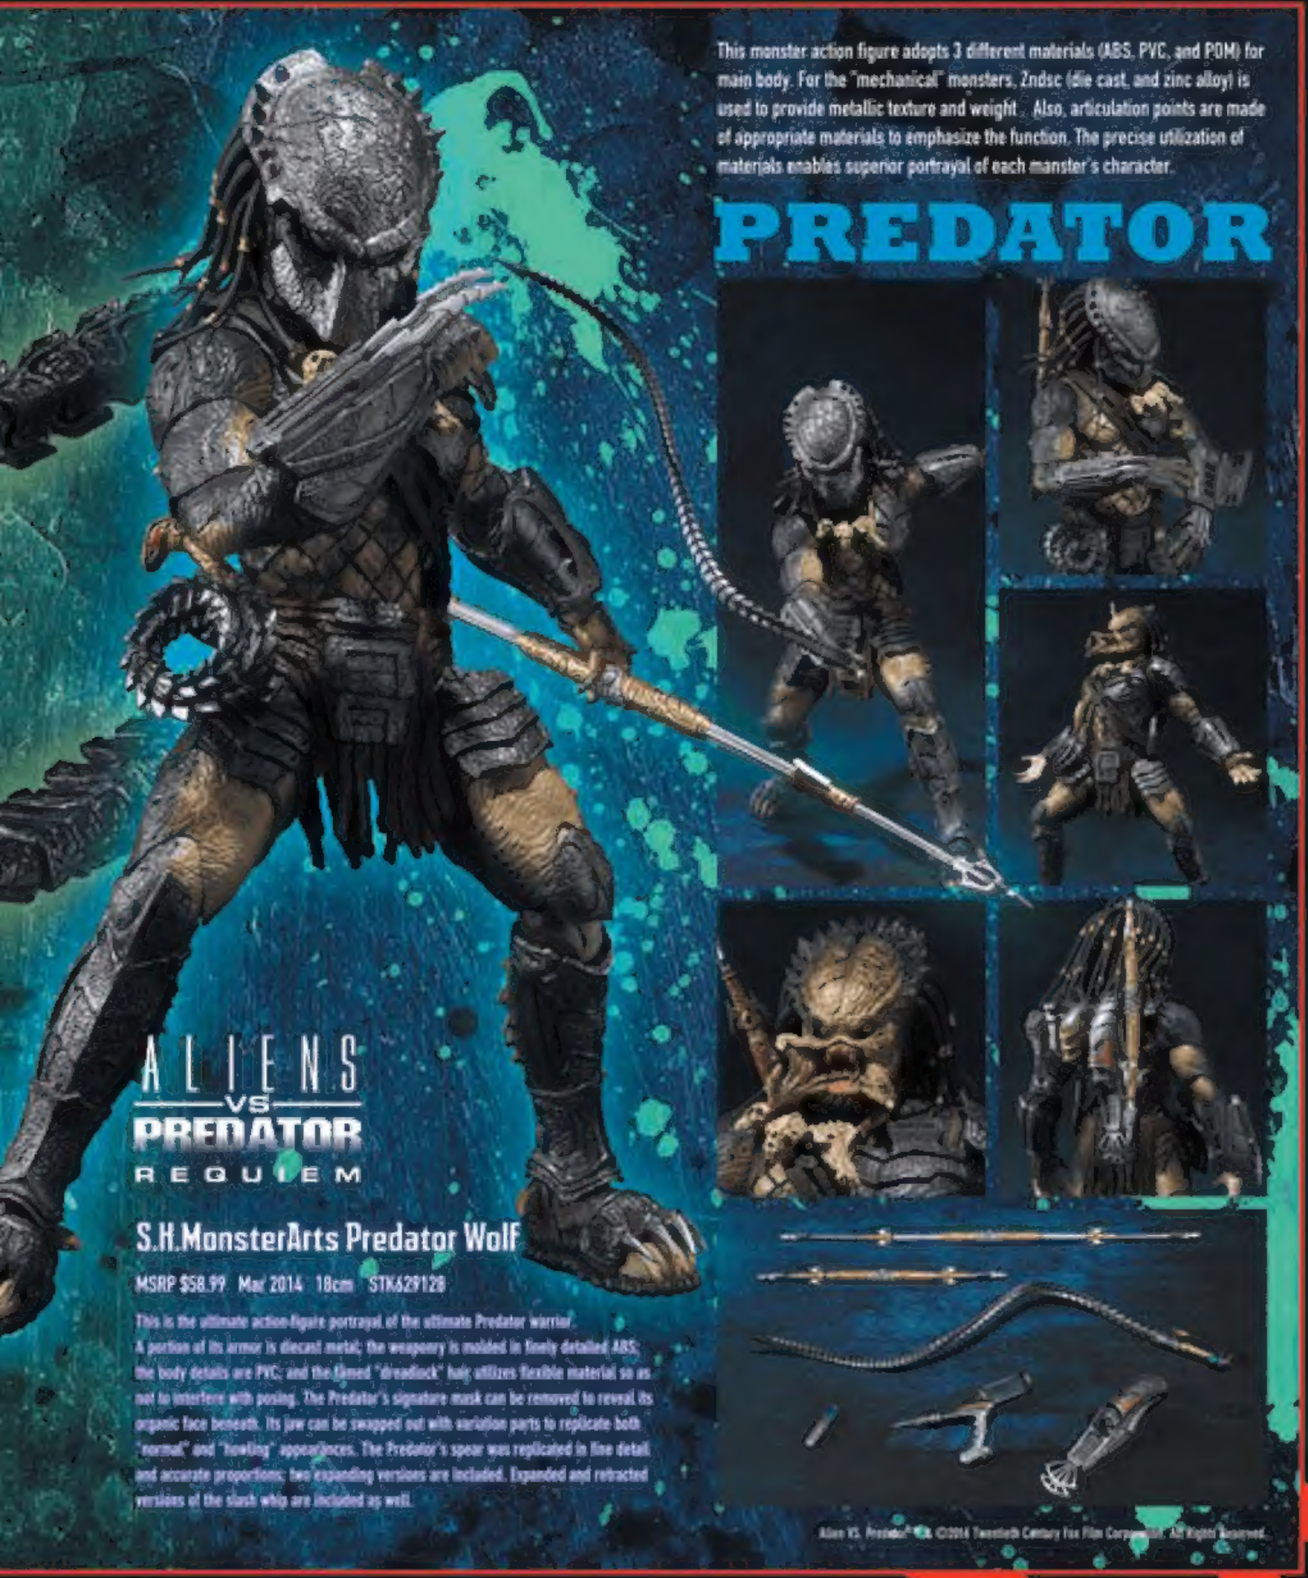
S.H.MonsterArts Alien Warrior

MSRP $55.99 Feb 2014 17cm STK629128

The premiere release in this new S.H.MonsterArts series is the Alien Warrior from the 2004 AVP film. This advanced joint system has been specially designed to allow dynamic poses without breaking the figure's distinctive silhouette. These joints allow the Alien to support itself in all sorts of dynamic and delicate poses, from crawling on all fours, to leaning in towards its prey. The top of the head can be slid to open the outer mouth and reveal the threatening inner mouth. And the tip of the tail uses diecast metal parts to achieve an even sharper feel.

TAMASHII NATIONS®

TAMASHII NATIONS is an umbrella label encompassing Japan's top collectable toy brands. Our logo is designed to represent the cool, fun, and just plain awe-inspiring nature of our products. Our mission is to bring TAMASHII, the Japanese word for soul or spirit, to everything we create.



This monster action figure adopts 3 different materials (ABS, PVC, and POM) for main body. For the "mechanical" monsters, Zndsc (die cast, and zinc alloy) is used to provide metallic texture and weight. Also, articulation points are made of appropriate materials to emphasize the function. The precise utilization of materials enables superior portrayal of each manster's character.

PREDATOR

ALIENS VS PREDATOR REQUIEM

S.H.MonsterArts Predator Wolf

MSRP $58.99 Mar 2014 18cm STK629128

This is the ultimate action-figure portrayal of the ultimate Predator warrior. A portion of its armor is diecast metal; the weaponry is molded in finely detailed ABS; the body details are PVC; and the famed "dreadlock" hair utilizes flexible material so as not to interfere with posing. The Predator's signature mask can be removed to reveal its organic face beneath. Its jaw can be swapped out with variation parts to replicate both "normal" and "howling" appearances. The Predator's spear was replicated in fine detail and accurate proportions; two expanding versions are included. Expanded and retracted versions of the slash whip are included as well.

USER'S guide

At first glance, *PREVIEWS* can be overwhelming because it's packed with tons of cool stuff. But there's a rhyme and reason to this mag-a-log and here's how to use it!

You now hold in your hands the latest issue of *PREVIEWS*, the monthly mag-alog dedicated to comics, graphic novels, toys and other pop-culture merchandise. If it's in your comic shop, it's in the page of *PREVIEWS*!

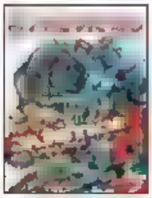
PREMIER COMICS BOOKS MAGAZINES TRADING CARDS APPAREL MERCHANDISE GAMES VIDEOS

What is *PREVIEWS*?

PREVIEWS is part magazine, part catalog—a "mag-alog" of all comics and pop-culture merchandise found at your local comic shop.

We've broken down the product listings by easy-to-understand sections: Comics & Graphic Novels; Books; Trading Cards; Toys, Statues & Models, and more.

Each month, you'll find detailed listings for almost every comic book and pop-culture product that will be available in comic shops in 2 months. So, if you're looking at the April issue of ***PREVIEWS***, most items will be in comic shops sometime in June.



How do I order from *PREVIEWS*?

Ordering from ***PREVIEWS*** is is easy! There are 3 simple ways to order:

1 **Use the Short Order Form.**
Fill in with the items you'd like to order from this issue.

2 **Ask for the companion Customer Order Form.**
We offer a companion order form that features a complete listing of every product offered in that month's issue of ***PREVIEWS***. Fill out what you want to order and hand in to your comic ship by the due date on the cover!

3 **Ask your retailer about their "Pull & Hold" service.**
Many retailers offer a "pull & hold" or subscription service where you can order your monthly comics and merchandise easily. They'll hold your orders for you and you can pick up your items when it's convenient for you! Be sure to ask your retailer to give you a copy or ***PREVIEWS***, Marvel ***PREVIEWS***, and the ***PREVIEWS*** Customer Order Form each month so you can place your orders easily!

Not sure where to find a local comic shop?

Visit the comic shop locator service website at www.comicshoplocator.com, or call 1-888-COMIC BOOK for a listing of comic shops near you!

PREVIEWS legend

Throughout this issue of *PREVIEWS*, you'll find a variety of symbols and terms that will help you in select items from this catalog. Here's what they mean:

Gems of the Month
The top offerings of the month, as chosen by our Premier publishers—these are the best bets in comics whether it's the next high-profile project or a new ongoing series.

Featured Items
In other sections, you'll find Featured Items, the top monthly products offered in their categories.

Spotlight On
These items are not to be missed; highlighted to get your attention.

Previews Exclusive
These are items available only through *PREVIEWS*! When you see this icon, you'll know you're ordering a limited item found nowhere else!

Featured Theme
Each month, PREVIEWS features a different theme to highlight certain titles and products. Look for that month's themed icon to find these selected items.

Certified Cool
Are you looking for the next title that pushes the envelope? Then try out one of our Certified Cool titles; books specially earmarked for readers who are looking for something a little different.

Staff Pick
This icon denotes items that have been reviewed by our staff and are worthy of a second look!

Indie Edge
The cutting edge of independent comics and creators, look for this icon on selected titles throughout the Comics & Graphic Novels section.

Star of the Month
These are best-selling backlist items that are available for immediate order from your local comic shop, and usually available for pick-up in about a week!

Offered Again (O/A)
These items have been previously offered before in *PREVIEWS* and are being made available again.

PI or Please Inquire
Your store will set the price for all "Please Inquire" items — check with your retailer for the price on these items.

MSRP or SRP
Manufacturer's/Suggested Retail Price. These designations provide suggested pricing information for a majority of items not carrying a retail price.

Actual prices may vary depending upon market conditions. Please check with your retailer

Caution (CAUT: #-#-#)
Cautions listed at the end of catalog descriptions indicate an item that may ship late or otherwise diverge from its Previews description. These codes are separated into three categories:

International Rights (I-Rights) — the item is restricted into what countries it can be sold.
0 = No International Rights restriction;
1 = International Rights are restricted.

Content Changes — the content may change after solicitation.
0 = No Content disclaimer;
1 = Content disclaimer enforced.

Ship Date Changes — the final shipping date may differ or change from the scheduled ship date.
0 = Item is expected to ship within 30 days of the EST SHIP DATE.
1 = Item is expected to ship within 60 days of the EST SHIP DATE.
2 = Item is expected to ship within 90 days of the EST SHIP DATE.

***PREVIEWS* Abbreviations**
SC = Softcover, HC = Hardcover, TP = Trade Paperback, MMPB = Mass Market Paperback, FC = Full-Color, b&w= Black & White; PC = Partial Color

A NOTE TO TOY COLLECTORS:
Your retailer cannot guarantee receiving specific items — such as action figures — when they must be ordered in case or "assortment" quantities. Please be aware of this when ordering action figures and other items designated as cases or assortments.

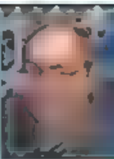
SEASONS GREETINGS!



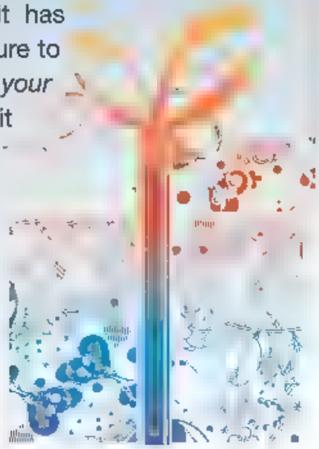
EDITOR'S *note*

It's been another great year for yours truly and the crew here at Diamond. And it was an *exceptional* year for ***PREVIEWS***! 2013 was the year in which we reached (and exceeded!) our 300th issue landmark. Yes, 2013 added another twelve issues of ***PREVIEWS*** to my library — the most complete collection of our publication in the world! — and it also marked our 25th Anniversary of bringing you this monthly print monster! It was a banner year for great products; from awesome comics and graphic novels to must-have toys and collectibles; from amazing gadgets and gizmos to the finest in fanboy apparel. It was like there was something for everyone…

In previous years, I've likened the ***PREVIEWS*** catalog to the comic book equivalent of the holiday "wishbook" catalogs of yesteryear. And that analogy was never truer than 2013, as we bombarded fandom with 12 super-sized monthly "wishbooks" filled with enough awesome to break the bank 12 times over. Did you see something this year in the pages of ***PREVIEWS*** that you just had to have? Well, if you're anything like me, then that's an emphatic "YES"! You see, I'm not only the Editor of ***PREVIEWS***, I'm also a customer! And boy, did I score some goodies this year. I hope you did the same, too!

So, on behalf of the entire ***PREVIEWS*** crew, as well as the rest of the swell folks here at Diamond Comic Distributors, I'd like to wish you a Merry Christmas, and a Happy Holiday season! It has been, and always shall be, our extreme pleasure to bring you our publication every month, and it's *your* continued readership that continues to make it all worth the effort!

I hope to see you here next month for our first issue of 2014!



Your Pal @ ***PREVIEWS***,

Marty

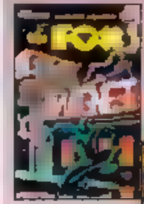
This month's featured creators is...

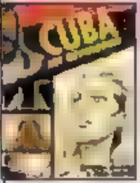
DEAN HASPIEL

Emmy Award winner and Eisner Award nominee **Dean Haspiel** created ***Billy Dogma*** and ***The Red Hook***, illustrated for HBO's ***Bored To Death***, was a "Master Artist" at the Atlantic Center for the Arts, is a Yaddo fellow, and occasionally teaches comic book storytelling. Dino has written and drawn many superhero and semi-autobiographical comix, including collaborations with Harvey Pekar, Jonathan Ames, Inverna Lockpez, Stan Lee, and Jonathan Lethem. He's currently collaborating with writer Mark Waid on ***The Fox*** for Archie/Red Circle Comics. Look out for his new Hang Dai Editions venture, ***Psychotronic Comix***, coming soon.

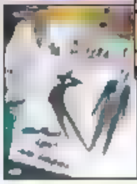
Dean Haspiel, which of your works would you recommend to new readers?



The Fox (Archie Comics/Red Circle)—Please check out my 5-issue "Freak Magnet" mini-series featuring ***The Fox***, masterfully dialogued by Mark Waid with gorgeous colors by Allen Passalaqua, along with a back-up story featuring ***The Shield***, written by J.M. DeMatteis with art by Mike Cavallaro and Terry Austin. We bring the pulp fiction back to Red Circle Comics! (**#1**: AUG130981, **#2**: SEP130880; **#3**: OCT130856; **#4**. NOV130769; **#5**: See this month's ***Archie Comics*** listings!)

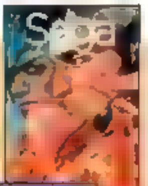


Cuba: My Revolution (DC Comics/Vertigo)—My collaboration with Cuban painter Inverna Lockpez and her story about abandoning her dreams of becoming an artist to join Fidel Castro's militia, and the torture and heartbreak of losing everything that ever meant anything to her, until her eventual escape... so she could make her dreams come true in America. (MAY100261)

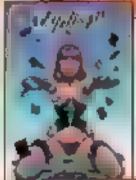


The Alcoholic (DC Comics/Vertigo)—Fans of HBO's ***Bored To Death*** will surely want to read my collaboration with author/screenwriter/renaissance man, Jonathan Ames. ***The Alcoholic*** is a beautiful-yet-poignant cautionary tale that brings warmth and levity to a very serious matter. Only you can decide what happens to our "hero" on the last page of his journey. (MAY080254)

Dean Haspiel, what comics are you reading?



Saga (Image Comics)—With 75+ years of comic book legacies staking permanent claim in our cultural lexicon, it's not easy to make you care about brand new fictional comic book characters. So, when Brian K Vaughan took a little break from the comics grind to bolster television, his innate ability to craft instantly likable, albeit sometimes snotty, characters in clever conflicts [See ***Y: The Last Man***, ***Ex Machina***, and ***The Runaways***] was sorely missed. Then he and his collaborator/artist Fiona Staples dropped ***Saga*** into our monthly midst and reminded us of what we were missing. Not since I was a kid coming out of the first showing of ***Star Wars*** have I felt this energized and thrilled about the mix of magic and science and galaxy-building mythology. Plus, it's got "mature content" so I don't feel like too much of a teenaged dork as I enter my latter years.
Saga Vol. 1 TP (AUG120491)



Satellite Sam (Image Comics)—Fans of ***American Flagg!*** rejoice! Had I the talent and tenacity, I, too, would have shaped and devoted my entire comics writing career the same way Matt Fraction must have (I'm half-joking) so as to be able to collaborate with Howard Chaykin, one of the finest comics craftsman our industry has ever been graced with. ***Satellite Sam*** is, arguably, an alternative universe sequel to what Chaykin was doing on ***Flagg!*** with those neat Easter eggs and multi-layered quips where comics demand your full attention. This comic is a perfect example of why artists should collaborate and the wild fruits they can bear
Satellite Sam Vol. 1 TP (NOV130453)

Minimum Wage (Image)—I'm happy to know that Bob Fingerman is back doing ***Minimum Wage***. Bob's semi-autobiographical comix inspired me to make some of my own and he was part of a very necessary revolution of personal comix back when ***American Splendor***, ***Eightball***, ***Love & Rockets***, ***Artbabe***, ***Optic Nerve***, ***Hate***, ***Acme Novelty Library***, and ***Black Hole*** came out on a regular basis. I look forward to reading and seeing what Bob's aggro version of his "Archie Gang" is up to after all these years.

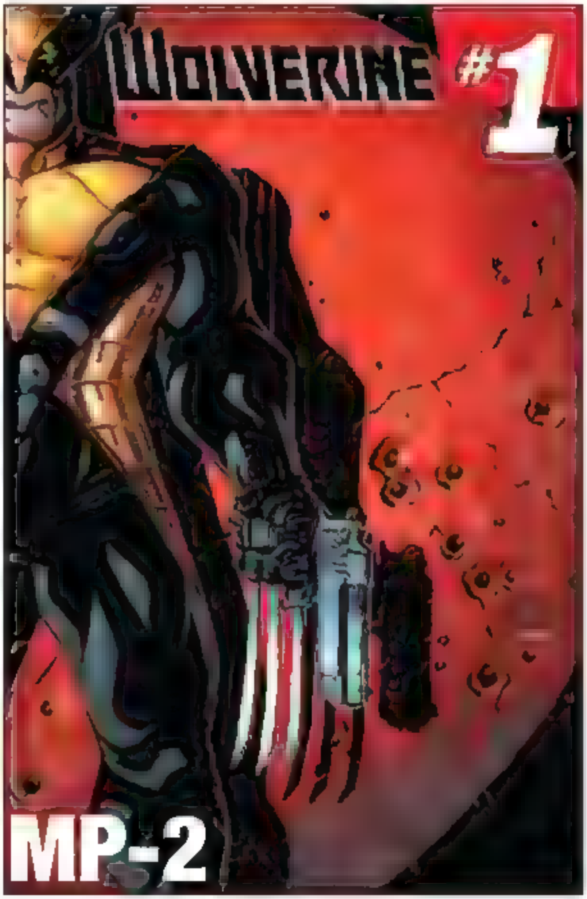
HOW FAR WILL WOLVERINE GO TO BECOME THE MAN HE ONCE WAS?



MARVEL PREVIEWS, $3.99, 32 PAGES, PAGE 2

Wolverine has faced many challenges in his unnaturally long life, but none had changed him to the extent that the Weapon X experiment had until "Killable," Paul Cornell and Alan Davis' *Wolverine* storyline that stripped Logan of his mutant healing factor. Taking advantage of the discovery that their unstoppable enemy was now vulnerable, Wolverine's foes took him to the brink. Now, Wolverine has scores to settle in February's *Wolverine* #1 from Cornell and *Superior Spider-Man*'s Ryan Stegman!

Long has Wolverine prided himself as being "the best there is" at what he does. But losing his healing factor meant more to Wolverine than just being vulnerable. Losing it took away part of his own identity. Wolverine had been unstoppable and unkillable thanks to that healing factor. He leaned on his ability to recuperate and regenerate to get him through fights that would leave any other person battered and broken. Now, without that ability, he could bleed, he could fail, and he could die.

To avenge himself on the enemies that brought him so low, Wolverine needs to find a new way to fight. Rushing in and taking on a dozen foes won't serve him any more. *Wolverine* #1 sees Logan set out to find a new way to be the fighter that he once was, with the new limitations that he has. He needs to make himself fight harder, strike smarter, move faster. But will his thirst for vengeance lead him to make sloppy mistakes, take shortcuts, lose his principles, and give in to the rage that has long haunted him? Wolverine needs to rebuild his body, but at what cost to his mind and spirit? Will Wolverine triumph over his demons and his enemies? Or will Logan fail to become the man that he once was?

Joined by Ryan Stegman, fresh off *Superior Spider-Man*, Paul Cornell continues his acclaimed work on *Wolverine* with a storyline that will redefine the character for the 21st-century. February's *Wolverine* #1 opens up a new chapter in the storied career of Marvel Comics' most popular mutant, one that no comics fan can miss!

Fifty years ago, Beatlemania exploded as the Beatles took the world by storm. But long before the Beatles appeared on The Ed Sullivan Show, they were a working band in Hamburg, Germany. Arne Bellstorf tells the story in *Baby's in Black*. Stu Sutcliffe was an artist and the band's bassist when he met the love of his life and she transformed the band and inaugurated their look. A moving tale of love, destiny, and loss, *Baby's in Black* is essential reading for any Beatles fan.

■ IMAGE COMICS, $3.99, 21 PAGES, PAGE 180

A MURDER IN SPACE MAY TOUCH OFF THE FUSE THAT WILL DETERMINE THE FUTURE

The shape of the future will be determined by power. Not political power or military power, though both will have a role, but energy itself. Fossil fuels are dwindling, alternative energy sources like wind and solar are becoming more prevalent. In the future, enormous solar power stations will be built in geosynchronous orbit, beaming limitless solar power back to Earth to power the metropolises of tomorrow. Communities will build up around these power stations — people who want to escape Earth, people who want excitement in their lives, people who find jobs maintaining these giant solar panels.

And people who commit murder.

In the style of Greg Rucka and Steve Lieber's *Whiteout*, Antony Johnston and Justin Greenwood's *The Fuse* from Image Comics takes readers to the most remote outpost of humanity known — the orbital power station 22,000 miles above the Earth. In a closed community thousands of miles from help and with the hard vacuum of space held back by bulkheads and plexiglass, one homicide cop is all that stands between justice and cataclysm!

22,000 MILES FROM HOME, A LONE HOMICIDE COP HAS A CASE THAT IS LITERALLY OUT OF THIS WORLD IN IMAGE COMICS' THE FUSE!

THE ANCIENT PANTHEONS WAR IN JONATHAN HICKMAN'S GOD IS DEAD

LARA CROFT'S ORIGINS ARE TOLD IN GAIL SIMONE'S *TOMB RAIDER*

Gail Simone has made her reputation on writing strong heroines, from *Birds of Prey* and *Batgirl* for DC Comics to *Red Sonja* for Dynamite Entertainment. This February, Simone takes on one of the toughest heroines in pop culture today — Lara Croft, the star of the *Tomb Raider* video game franchise, in Dark Horse Comics' new *Tomb Raider* ongoing series.

The scion of British aristocracy, Lara Croft is known the world over as an adventurer and archaeologist. What made her walk away from her life of ease and privilege to become a globetrotting explorer? The latest game in the series, Square Enix's 2013 *Tomb Raider* game, took gamers back to Lara's first adventure, shipwrecked on a remote island where she had to learn to survive. Simone picks up from the end of the game and explores how Lara Croft grew to become the world-renowned archaeologist!

Joined by Nicolas Daniel Selma on pencils, Gail Simone's *Tomb Raider* for Dark Horse is a book no fan of strong heroines or the video game will want to miss this February!

HARLEY QUINN IS READY FOR HER CLOSE-UP 149

One of the most alluring and memorable characters to join the Batman family in the past twenty years is Harley Quinn, created by Paul Dini and Bruce Timm for *Batman: The Animated Series*. This spring, DC Collectibles adds a unique interpretation of the Joker's femme fatale as Bruce Timm designs the *Batman Black & White: Harley Quinn Statue*. Standing nearly 7 1/2" tall, Harley features the retro-noir stylings that made Timm's designs so popular and influential for a piece that no *Batman: The Animated Series* fan can miss!

SUPERGIRL SOARS WITH ROBERT TONNER'S NEW COLLECTOR DOLL 415

Robert Tonner returns to the world of DC Comics with a stunning new addition to his *DC Stars* line of collector dolls — Supergirl in her New 52 costume! Tonner's dolls have always been lauded for their quality and attention to detail, and the *Tonner: Supergirl "New 52" Doll* is no different! Standing 16" tall with painted eyes, rooted hair, faux leather boots, and a Lycra costume, this Supergirl doll looks like she's ready to take flight. Limited to just 300 pieces, be sure to get this Supergirl doll before she flies away!

HAMMER'S FRANKENSTEIN'S MONSTER HAS BEEN UNLEASHED 447

Hammer Studios resurrected some of cinema's greatest monsters with a series of horror films in the 1950s and 1960s. One of those monsters, the Frankenstein Monster, returned in 1957's *The Curse of Frankenstein* with Sir Christopher Lee as the reanimated creature. Titan Merchandise continues their line of stunning Hammer maxi-busts with the *Hammer Masterpiece Collection: Frankenstein's Monster Mini-Bust*. This 8" tall bust features an amazing sculpt of Lee as the creature, and it's a piece that belongs in any connoisseur's collection!

Humanity reached the stars and discovered a threat that brought the galaxy to the brink of universal destruction in BioWare's best selling *Mass Effect* video game trilogy Dark Horse Comics recreates one of the starships that took humanity to the stars with the *Mass Effect: Alliance Cruiser*, a 9 1/4" long miniature that was developed from BioWare's CGI files and comes on a custom Alliance base. Whether you love science-fiction or the game, you'll want to add this impressive piece to your collection

430 LET ELVIRA TAKE YOU INTO HER CRYPT

Elvira is one of the world's most famous film hosts, the host of the *Elvira's Movie Macabre*, broadcast weekly since 1981, made iconic for her beehive black hair, long black dress, and ample cleavage. Film aficionados can add Tweeter Head's *Elvira, Mistress of the Dark Statue* to their collection Sculpted by Trevor Grove and made with real Swarovski Elements this officially-licensed statue stands nearly 15" tall and will cut a campy and stunning figure in any fan's collection!

THE ALIEN AND PREDATOR MEET WITH TAMASHII'S NEW FIGURES 458

20th Century Fox reinvented sci-fi horror in 1979 with the release of *Alien* and again in 1987 with *Predator*. In 2004, these two franchises collided in the long-awaited *Alien Vs. Predator*, and Tamashii Nations recreates the titular monsters with two new figures in the *S.H.MonsterArts* figure line! Each figure stands over 6 1/2" tall, and both *Alien* and *Predator* feature incredible detailing, making these among the most detailed action figures ever created of these iconic creatures. Choose your side, or choose both, when you add these to your collection!

FRANK MILLER'S DARK KNIGHT RISES WITH MEDICOM'S NEW FIGURE 444

Frank Miller redefined Batman with his best-selling graphic novel *The Dark Knight Returns*. Miller's Batman was a fifty-five year-old man, coming out of retirement to wrest his city back from the crime and grime that has choked away its life. Medicom recreates Miller's version of Gotham's caped crusader with the *Batman: The Dark Knight Returns Real Action Hero Figure*, an impressive 12" tall figure with real fabric clothing. This ***PREVIEWS*** Exclusive Batman figure will make any fan feel like Gotham City's champion is back!

The year is 1940. As the Blitz destroys London and kills thousands, the Royal Family looks on. But in this world, the only people with special abilities are Royalty, and the purer the bloodline, the greater their abilities. So why don't they stop the carnage with their powers? A truce between the Earth's nobles has kept them out of our wars—until now When England's Prince Henry can take no more and intervenes, will it stop the planet's suffering or take it to another level?

Writer Rob Williams (*Judge Dredd: Trifecta, Low Life*, ADVENTURES OF SUPERMAN and *Daken*) and artist Simon Coleby (*The Authority, Judge Dredd: Year One* and *Trifecta*) team up to bring you this epic of World War proportions. History will be transformed in a way you've never seen before.

JACK KIRBY NEW GODS ARTIST'S EDITION HC

$ Please Inquire

Jack Kirby New Gods Artist's Edition will collect issues 1, 2, 5, 6, 7, and 8 of *NEW GODS*–the most important Fourth World book. Written and drawn by **Jack Kirby**, with inks by **Mike Royer** and **Vinnie Colletta**, this classic collection was originally published by DC Comics and is the very first Artist's Edition to feature the legendary artistic prowess of "King Kirby!" Nearly every page of this Artist's Edition has been scanned from the original art, and is presented in the multi award winning format that was conceived and first presented by IDW Publishing!

Jack Kirby has correctly been called the King of Comics. In a career that began in the Golden Age of Comics, Kirby virtually kick started the medium. He created (or co created) *Captain America, Manhunter, The Newsboy Legion, The Fantastic Four, Challengers of the Unknown, The X-Men, The Incredible Hulk* — the list goes on and on. Now, for the first time ever, you can see **Jack Kirby**'s stunning originals in all their full sized glory–You think you've seen **Jack Kirby**'s art before? You ain't seen nothing yet!

WHAT IS AN ARTIST'S EDITION?

ARTIST'S EDITIONS ARE PRINTED THE SAME SIZE AS THE ORIGINAL ART. While appearing to be in black & white, each page has been scanned in COLOR to mimic as closely as possible the experience of viewing the actual original art. For example, you are able to see [illegible] paste-overs, blue pencils in the art, notes & art corrections. Each page is printed the same size as drawn, and the paper selected matches as closely as possible to the original art board.

SPECIAL THANKS TO THE JACK KIRBY ESTATE.

Famed *Dirty Duck* and *Air Pirates* cartoonist **Bobby London**'s more than six-year run on the Popeye newspaper strip has been hailed both as a unique original creation and as an homage to **Elzie Segar**'s larger Thimble Theatre vision. "Segar was the seminal influence in my career," the cartoonist said. London updated the strip to reflect current pop culture and also brought back the extended story format favored by Segar. London gives us new yet familiar versions of Popeye, Olive Oyl, Swee' Pea, and Wimpy, as well as Popeye's Pappy, Olive's brother Castor, Eugene the Jeep, Bernice the Whiffle Hen, the menacing Sea Hag, Alice the Goon, and more!

"THE RUSSIA SHIFT," Part One
Working homicide 22,000 miles up on an orbiting energy platform, in a five-mile-long jury-rigged steel city stuffed with a half million people, with no help from your so-called colleagues back on Earth, is more than tough...it's murder.

Cynical, foul-mouthed veteran **ANTONY JOHNSTON (UMBRAL, Wasteland, Daredevil)** gets partnered with fresh-faced idealist **JUSTIN GREENWOOD (Wasteland, Resurrection)** for a new crime series with attitude! Murder, mayhem, and mystery—22,000 miles straight up

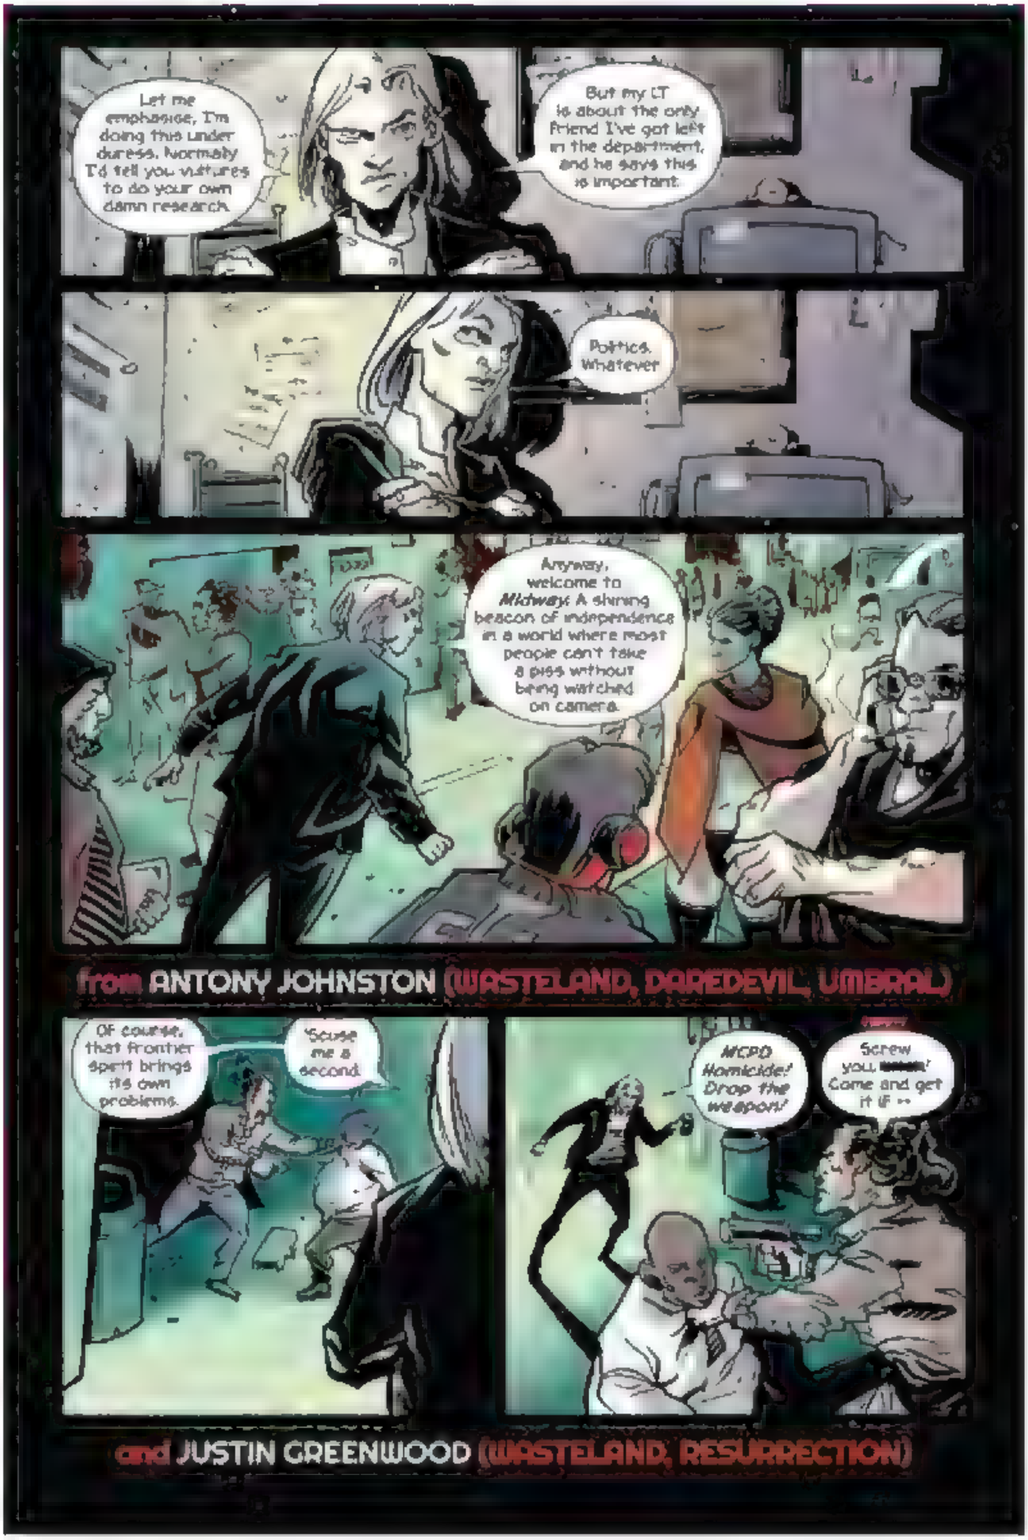
THE FUSE #1



Let me emphasise, I'm doing this under duress. Normally I'd tell you vultures to do your own damn research.
But my LT is about the only friend I've got left in the department, and he says this is important.
Politics. Whatever.
Anyway, welcome to *Midway*: A shining beacon of independence in a world where most people can't take a piss without being watched on camera.
Of course, that frontier spirit brings its own problems.
'Scuse me a second.
MCPD Homicide! Drop the weapon!
Screw you, [redacted]! Come and get it if --

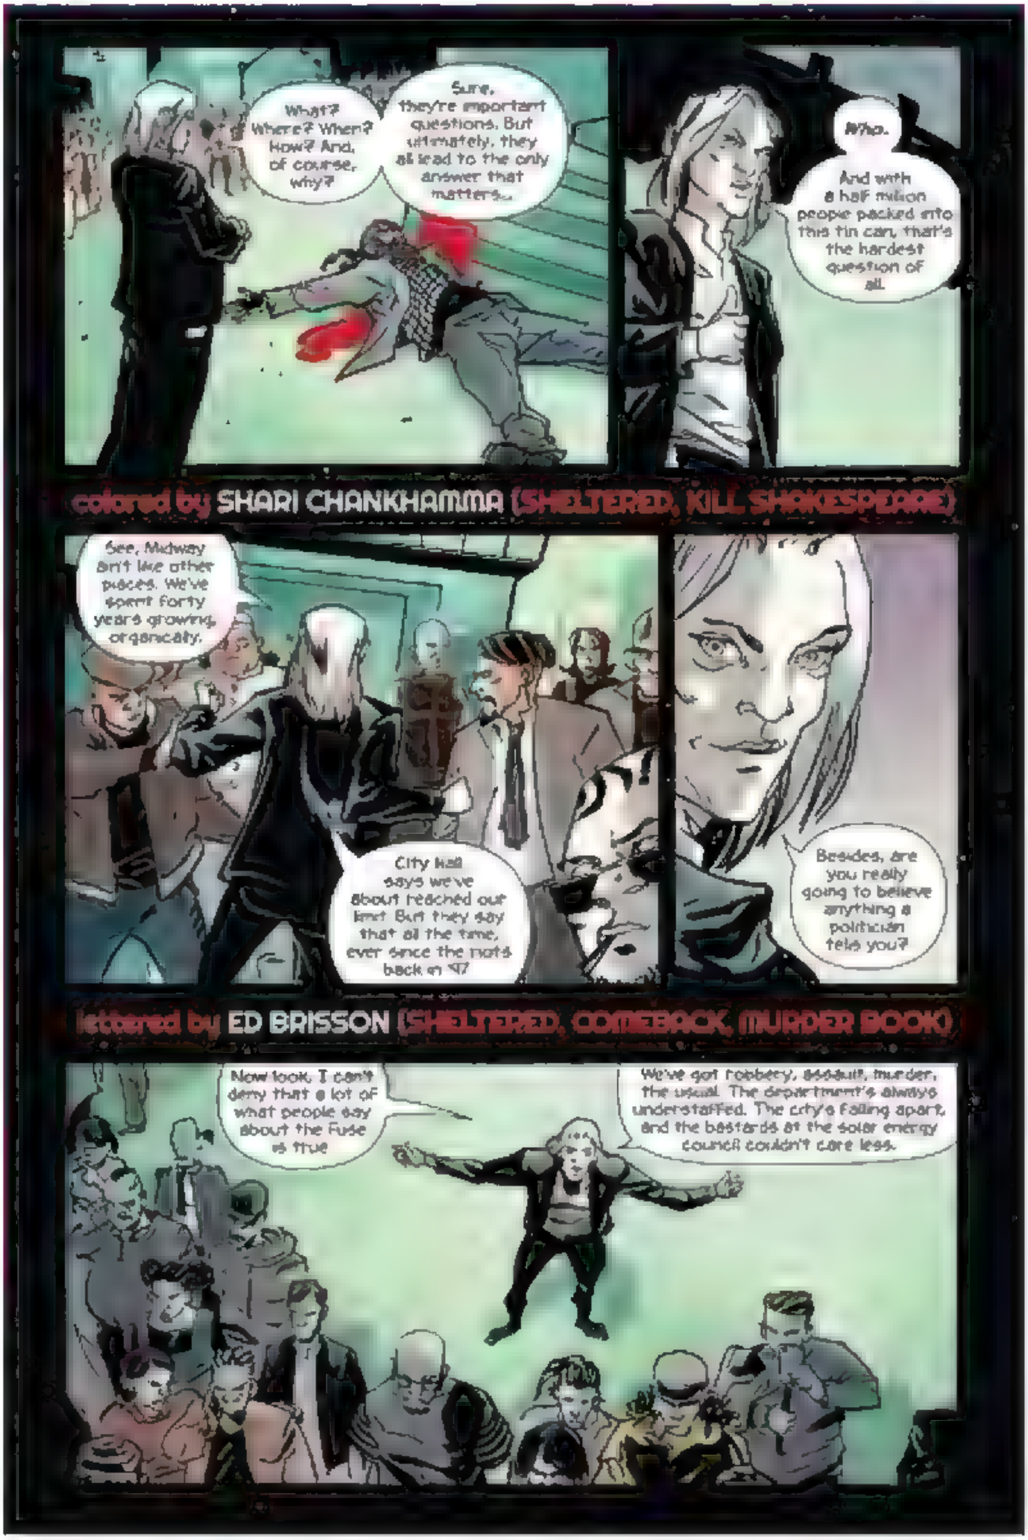
Whatever you say, moron.
—Unh!
It's only a bouncer. Even our perps aren't stupid enough to carry real guns.
Unlike my new partner, but you'll see that for yourself if you come back.
Anyway, let the uniforms deal with that idiot. We're here for something way more important.
The most important thing to any real police—
comes a NEW SCI-FI CRIME series with a SERIOUS ATTITUDE
...Murder.

SNEAK PREVIEW

THE FUSE #1



What? Where? When? How? And, of course, why?
Sure, they're important questions. But ultimately, they all lead to the only answer that matters...
Who.
And with a half million people packed into this tin can, that's the hardest question of all.
See, Midway ain't like other places. We've spent forty years growing, organically.
City hall says we've about reached our limit. But they say that all the time, ever since the riots back in '97.
Besides, are you really going to believe anything a politician tells you?
Now look. I can't deny that a lot of what people say about the Fuse is true.
We've got robbery, assault, murder, the usual. The department's always understaffed. The city's falling apart, and the bastards at the solar energy council couldn't care less.

FEBRUARY 19
32 PAGES / FC / M / $2.99

Atlantis is the world superpower, and Redum Anshargal is its worst enemy. If you want to break free of the system, he can offer you a place at his side, exploring the wild surface world in his watertight city barge The Deliverer. He and his hostage-protege Ukinnu Alal hunt the Amphibian, a legend that could be the key to an air-breathing life on land. But as they become the hunted, can Anshargal's team survive long enough to turn the tables on the godlike beast they set out for?

A brand new pulp monster adventure with Ray Harryhausen at its heart and a look at Atlantis like never before from the up-and-coming team of writer **STEVE ORLANDO** (**Mystery in Space**) and artist **ARTYOM TRAKHANOV**.

Alison Carter is a private detective. Her beat: the end of the world, or more accurately, preventing same. With an attitude of "shoot first and the hell with the questions," she leads a life that would drive other investigators mad, filled with monsters, demons, trolls, mad prophets, zombie detectives, techno-wizards, machinegun toting imps and dead boyfriends. In the first action-packed installment of this new universe, Al is given her biggest assignment ever, one that will take her into the heart of Ultimate Darkness itself. The first of a four-issue miniseries, this issue contains 30 pages of story, unbroken by advertisements.

"Sanctuary is like walking into a children's movie and finding Hitchcock actually directed it"
Rob McMonigal - Panelpatter.com

"Ever had the desire for a tale with the heart, designs, and youthful characters of THE LION KING, only set in a murder mystery right out of Agatha Christie? If so, then SANCTUARY is the answer."
Alex W den- Examiner.com

"This is a brilliantly refreshing take on a whodunit murder mystery where the animals are suspects. With a plot that looks set to twist, turn, and thrill with every issue, Sanctuary is a comic book that is gripping and well worth a look."

32-Bit Zombie #1
Story: Fred Perry Art: David Hutchison
The zombified 16-bit console memory card has lain dormant in a thrift store bargain bin for a year now, with its horrible curse a long-lost save game. Meanwhile, a new 32-bit console has been released! Its denizens start to enjoy the benefits of "full-motion video" and "blazier processing", when the new memory card burns out. The system can take older cards, though, and wouldn't you know it, a certain zombie game-character-infested memory card was just put on sale!

THE FOX #5

(W) Dean Haspiel, J. M. DeMatteis (A) Dean Haspiel & Various (CA) Dean Haspiel

The fantastically-foxy finale is here in "Freak Magnet" part 5: "Future's End"! Emmy Award winning writer/artist Dean Haspiel is joined by acclaimed writer J.M. DeMatteis to conclude the "Freak Magnet" saga of the pulp-style hero The Fox! Our hero has won the day and defeated his evil adversaries, so why does he now find himself trapped 70 years in the past, side-by-side with the legendary hero of WW2 known as The Shield! And what does the Shield's arctic battle-royale have to do with the diamond realm?! And will someone please tell The Fox, aka Paul Patton Jr., why he can't just have the simple, freak-free life he wants? Don't miss the finale to end-em-all, and don't miss out on collecting all five "Fox Five" Variant Covers to this issue! FERALS VOL 3 Trade Paperback

Retail Price: $19.99

Writer: David Lapham
Cover & Art: Gabriel Andrade
MR, Color, 144 pages

ABOUT: Dale Chesnutt has lost all control. The feral wolf blood within him leads him toward the murder of the man that killed his love and unborn child. And that bloodlust has driven him rabid with purpose. But when the community of Ferals feels trapped by the encroaching military confinement of their population, the proud bloodline responds in kind. While the insane Doctor Cherry's experiments turn from understanding the condition to becoming a slave to it. The end has come – it's the brink of war. DAVID LAPHAM has redefined the werewolf mythology into one of the most mesmerizing stories in comics today. This volume takes the Feral and human races to the brink and kicks them both over snarling and screaming for mercy. *Ferals Vol 3* TPB collects issues #13–18 of the series.

EXTINCTION PARADE #6

Regular Retail Price: $3.99

Writer: Max Brooks · **Cover & Art:** Raulo Caceres · **MR, FC, 32pp, #6 of 12, bi-monthly**

ABOUT The aristocratic vampire race is learning a life lesson the hard way. One zombie is a joke to the vampire community. One hundred zombies are a mere nuisance. But what about one billion zombies? With so few privileged bloodsuckers existing they are finding the odds insurmountable and turning the tide of destruction virtually impossible. MAX BROOKS, the visionary creator behind World War Z and The Zombie Survival Guide, supplies a new chapter in the story of the shambling dead. And this time, it is the vampire race that most feels the pinch of Darwin's principles. They must evolve or die at the hands of a veritable tsunami of the living dead. Available with Regular, Wraparound, End of a Species and Bloodwashed Retailer Incentive covers by Raulo Caceres. Also, available with a special black Leather cover limited to just 1000 copies!

BLOOMSBURY

A Connecticut Yankee in King Arthur's Court

A CONNECTICUT YANKEE IN KING ARTHUR'S COURT GN
(W) Seymour Chwast, Mark Twain (A/CA) Seymour Chwast
A Mark Twain classic gets a makeover from the illustrator NPR has called "diabolically witty" and "devilishly expressive." Seymour Chwast, an icon of the graphic design world, has delighted audiences with his adaptations of *The Divine Comedy*, *The Canterbury Tales*, and *The Odyssey*, but it is in Mark Twain's *A Connecticut Yankee in King Arthur's Court* that he has found his match. Inspired by Twain's comic irreverence for the Knights of the Round Table, Chwast's illustrations showcase his humor at its finest. He brings us a brilliant imagining of the beloved hero, Hank Morgan, as well as the full cast of Camelot characters, from Merlin to Lancelot to the king himself. With a bold and colorful design and no shortage of witty surprises, this is Mark Twain as you've never seen him before. (STK630077) (C: 0-1-0)

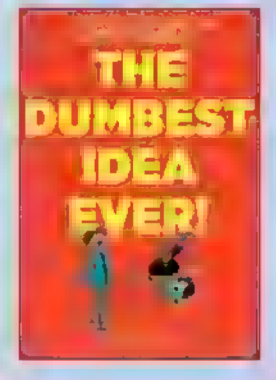
THE DUMBEST IDEA EVER! GRAPHIC NOVEL

GRAPHIX/Scholastic Books



THE DUMBEST IDEA EVER!

Back in the June 2012 *PREVIEWS* I lamented the end of Jimmy Gownley's *Amelia Rules!* series of graphic novels, having been a fan of the series from the first issue published by Renaissance Press. While I'm hoping at some point Jimmy returns to Amelia as she was just getting into those years every father dreads I am glad that Jimmy had another graphic novel already in the pipeline.

With *The Dumbest Idea Ever!* under the Graphix line of books from Scholastic, Jimmy writes about a subject he knows intimately — himself. Jimmy's books always had a mix of reality and imagination and with this book we get to see how he used and abused his imagination to make his place in the real world.

In *The Dumbest Idea Ever!* we get to see how Jimmy Gownley went from star student with artistic potential to someone doubting their abilities, to conceited young man to becoming a young man with goals and plans on how to reach them. It may not be Horatio Alger but it is Jimmy Gownley in black and white — no, let's make that Shades of Grey.

Jimmy gives of himself in this autobiographical graphic novel that gives you insight on what drives a person to create comics and to continue to do you even when you know acceptance is an uphill battle.

One of my first conventions for Diamond as a brand manager was SPX. While I was familiar with the major shows and creators this was the first truly indie comix driven show I attended. It was coming across creators like Jimmy with *Shades of Grey*, Steve Conley with *Astounding Space Thrills*, *Mr. Beat* by Chris Yambar and *Top Shelf* by Staros and Warnock that renewed my interest in non "mainstream" comics.

Here in *The Dumbest Idea Ever!* we are provided the insight into what makes a person want to do comics, why they continue and why we are glad they did.

This is a book that will join my bookshelves with *Amelia Rules!*, *Cerebus*, *Strangers in Paradise*, *Bone*, *Castle Waiting*, *Stray Bullets* and *True Stories Swear to G-d* as just a sample of the quality and diversity we have available to read.

It wasn't the dumbest idea ever; it was one of the smartest ideas — even if it wasn't yours, Jimmy!

~ *Steve Leaf*

WORLD WAR ONE: 1914-1918 GN

(W) Alan Cowsill
(A/CA) Lalit Kumar Sharma
Life in the trenches is brought graphically to life in this stunning history of the war to end all wars. With the 100th anniversary of the outbreak of World War One just around the corner, interest has never been higher. How did the war begin? Who were the participants? How did it end? All these questions and more will be answered in *World War One: 1914-1918.*

STARS of the MONTH

BONE VOLUME 3: EYES OF THE STORM COLOR EDITION SC (NEW PRINTING)

(W/A/CA) Jeff Smith
In "Eyes of the Storm," Lucius, Smiley, and Phoney survive an attack by the rat creatures and return safely to Lucius' tavern in Barrelhaven. Phoney, desperate to win a bet with Lucius, stokes the townspeople's fear of dragons and boasts that he is a professional dragonslayer. Back at the farm, Fone Bone and Thorn are troubled by strange dreams, and Gran'ma Ben's reaction to them is stronger still. She reveals long-kept secrets and warns of great danger. Thorn, Fone Bone, and Gran'ma Ben may have to leave the farm forever. (STK469210) (C: 1-0-0) **NOTE:** Available only in the United States and Canada.
SC, 6x9, 144pgs, FC. $12.99

ROSE GN

(W) Jeff Smith (A) Charles Vess
(CA) Jeff Smith
When a terrifying dragon attacks the small towns of the Northern Valley, a young Princess Rose (known later as Gran'ma Ben) must defeat it. The beast is actually the ancient evil, the Lord of the Locusts, and while Rose faces danger with honor, her elder sister, Princess Briar, follows a more sinister path. An unforgettable story with beautiful, sweeping artwork, this prequel explores the fateful beginnings of the epic *Bone* saga. (STK397970)

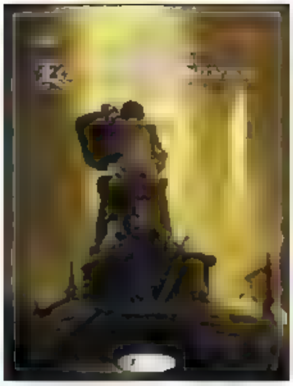
CINEBOOK

LADY S. VOLUME 4: A MOLE IN D.C. GN

(W) Jean Van Hamme
(A/CA) Philippe Aymond
Lady S. stands accused of being a spy — and she didn't even do anything this time! What better place to forget the murky world of international spies than Washington, amid the murky world of politics? Suzan, still her adopted father's assistant, is now working at the White House, where she becomes the unwitting central figure in a nefarious plot to discredit the president of the United States. After bodies start turning up, Suzan's life is turned upside down once again, leaving her no choice but to run. Will she ever be able to stop? (STK630746) (C: 0-1-2)
SC, 7x10, 48pgs, FC. $11.95



LONG JOHN SILVER VOLUME 4: GUIANA-CAPAC GN

(W) Xavier Dorison
(A/CA) Mathieu Lauffray
The dream of gold has turned to blood and ashes. The Neptune is gone, stolen by the Indian guide Moc, or maybe by Guiana-Capac's malevolent gods. The last members of the ill-fated expedition — Silver, Dantzig, Livesey, and Bonnet — are stranded in the ancient city. Far from being broken, however, they will face head-on what lies inside the gargantuan ruin, each for his own reasons: revenge, duty, gold — or to rescue the beautiful Lady Hastings. For Moc isn't done with them, and he has plans for Vivian. (STK630867) (C: 0-1-2)
SC, 8x11, 64pgs, FC $15.95

THE SCORPION

THE SCORPION VOLUME 5: IN THE NAME OF THE FATHER GN

(W) Stephen Desberg
(A/CA) Enrico Marini
The lights of Rome have dimmed. When the Scorpion and his friends get back to the Holy See, it is a place of fear and death they find, a city cowering under Trebaldi's boot. Their only chance to destroy the Pope's power is to heed Rochnan's last words and look into the past of the Scorpion's mother. Dodging warrior-monks and Inquisitors, they begin to unravel a story that could yield some answers too horrible to contemplate! (STK630748) (C: 0-1-1)

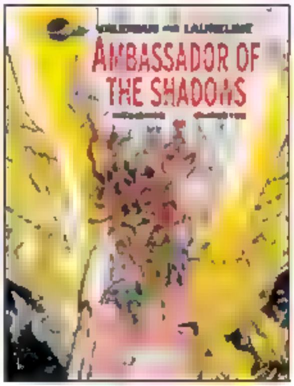
LUCKY LUKE VOLUME 44: LUCKY LUKE VERSUS PAT POKER TP

(W/A/CA) Morris
An early adventure of the lonesome Cowboy as an official lawman. Having accepted the sheriff's job in Red City, Lucky Luke arrives to find a town entirely under the control of Pat Poker, a ruthless gambler cheat and saloon owner, and his henchmen. His horse, clothes and revolver stolen, Luke decides to pass himself off as a harmless, bumbling tenderfoot, all the better to study his opponents and catch them unaware. Still, Pat won't give up easily, and keeping him behind bars might require some additional work! (STK630747) (C: 0-1-2)
SC, 48pgs, FC $11.95



VALERIAN VOLUME 6: AMBASSADOR OF THE SHADOWS GN

(W) Pierre Christin
(A/CA) Jean-Claude Mezieres
Who threatens the diplomatic future of Earth? And who are the mysterious Shadows? Point Central is a multicultural space station that serves as a sort of United Nations to the galaxy. Tasked with protecting the new ambassador from Earth, Valerian is kidnapped alongside his charge in a lightning commando attack. It's up to Laureline to do all the heavy lifting and slog through the seedy bowels of the station as she tries to locate and rescue them — figure out who kidnapped them and why. A NEW SERIES FROM GREG PAK, THE ACCLAIMED WRITER OF BATMAN/SUPERMAN!

TUROK: DINOSAUR HUNTER #1

Greg Pak (w) Mirko Colak (a) Bart Sears (c)
FC • 32 pages • $3.99 • Teen+ • 2/5

THE GOLD KEY UNIVERSE BEGINS HERE! Classic Characters by some of Comics Hottest Creators! Turok, Magnus, Dr. Spektor and Solar! Dynamite is proud to present an all-new, ongoing adventure series from superstar GREG PAK (Batman/Superman) and incredible artist MIRKO COLAK (Conan). Stranded from his tribe, a young Native American named Turok fights to survive, making a lonely life for himself in the unforgiving forest. But his hard-won cunning and survival skills face the ultimate test when marauding THUNDER LIZARDS attack his people. Why are dinosaurs here? How have they survived? And will Turok use his abilities to save a society that's taken everything away from him?

GREG PAK TALKS TUROK: DINOSAUR HUNTER!

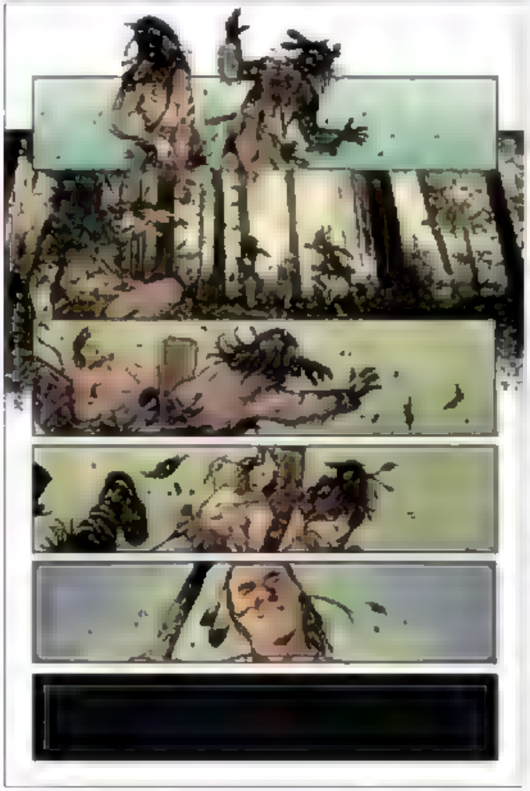
How would you define the character of Turok? What drives him to be the hero he is?

Turok is a young Native American outcast, exiled from his tribe and hunted by the privileged children of the elite. But what does not kill us makes us stronger, and Turok has learned to survive on his own through skill and guile. But can all of his hard-earned abilities save him when horrifying giant lizards invade the New World?

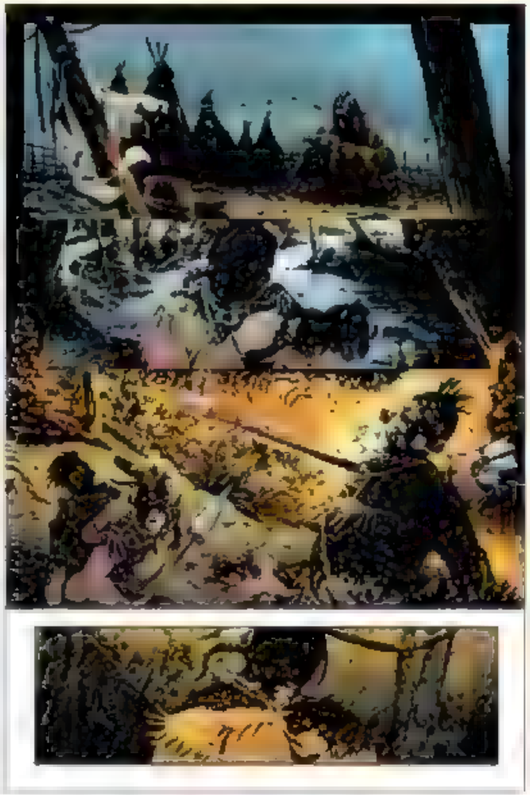
Turok has a long, storied history in comics and video games. What constants remain with the character from previous incarnations, and what changes can we expect to see?

We're embracing the chance to reimagine the character and build a new world from the ground up. But this is absolutely a story about a Native American fighting dinosaurs, which means it may just be the greatest comic book you read this winter.

We're also getting an amazing chance to world-build here. When you start with the premise of a Native American fighting dinosaurs, you suddenly have a lot of pressing questions to answer about what era it is, exactly where we are, and how dinosaurs happen to be around. We'll reveal the shocking answers to those questions as the story progresses. I'll just tease right now that some real world history will play into the story in a surprising way that opens up an entirely new realm for exploration.



Turok: Dinosaur Hunter #1 interior art by **Mirko Colak**



Turok: Dinosaur Hunter #1 interior art by **Mirko Colak**

What can you tell us about the threats and challenges that Turok will face in the new series?

Even before the dinosaurs arrive, Turok faces a life-and-death struggle with his own tribe. And there's another human antagonist that will soon surface in his world. So he'll not only have to contend with the most deadly predators the world has ever seen, he'll have to grapple with the kinds of devious horror that only our fellow humans can come up with.

Are there parallels between your TUROK story and the themes explored in your previous comics work?

I've always loved writing about outsiders and monsters. Those are themes I've explored in everything from the Hulk to Magneto to my feature film, Robot Stories. And I've always been a huge sucker for outdoor heroic adventure. And I've always loved stories that deal with clashing cultures and allow for ambitious world-building. Turok scratches all those itches.

What's the most exciting thing about working on TUROK?

I'm thrilled to be working with artist Mirko Colak again. Mirko drew the Red Skull: Incarnate book I wrote a few years back and did an incredible job. But I think he's going to absolutely explode with Turok. Mirko's pretty well known for his great, clean lines, but he's also amazing with visceral, outdoor environments. It's an amazing combination and it's just perfect for the book.

Signed by Pathfinder writer Jim Zub! The warrior Valeros can rely on his sword arm and his friends — the mysterious sorceress Seoni, quick-witted elven rogue Merisiel, powerful wizard Ezren, well-traveled dwarven ranger Harsk, and courageous cleric Kyra — but nothing can prepare them for the dangers that lurk ahead. The scattered goblin tribes of Varisia are unifying in ways no one has ever seen before. At the heart of this strange evolution is an ancient force of evil looking to establish itself anew in the world of Golarion.

Paizo's award-winning fantasy world, tabletop game, and bestselling RPG is now the ultimate fantasy comic! With an action-packed story written by Jim Zub (Street Fighter Legends, Skullkickers) and incredibly detailed artwork by newcomer Andrew Huerta, this first volume introduces readers to a richly envisioned fantasy world filled with compelling characters and impressive sights.

THE AMERICAN COMIC BOOK CHRONICLES 1965-1969

Twomorrows Publishing

TwoMorrows Publishing continues their series of full-color hardcovers, *The American Comic Book Chronicles*, covering the history of comics decade by decade and year by year, no WAYBAC machine or TARDIS required.

With the reconfiguring of comic characters, universes, and dimensions from big and small publishers it's more entertaining to read *about* comics than actually read comics. Reading about the history of comics from the days of mimeographed copies of *Alter Ego* to offset printed 'zines like *Graphic Story Magazine* to *Rockets Blast Comic Collector* let you see the fun in reading and collecting comics.

The newest volume written by John Wells covers the second half of the 60s which covers the evolution of Marvel Comics into a Pop Culture phenomenon to the onset and demise of Batmania and its repercussions. Marvel grows to be more than Stan and Jack as Rascally Roy Thomas, Genial Gene Colan, Jazzy Johnny Romita, and John Buscema expand the bullpen.

DC tried new titles from *Angel and the Ape* to *Bat Lash* to Steve Ditko's work on *Hawk and Dove* and *Beware the Creeper* and the introduction of Deadman in *Strange Adventures*. What it will be noted for is Neal Adams returning Batman from biff! bang! Pow! to the Dark Knight Detective.

There was so much more than DC and Marvel as Wally Wood and company brought us *Thunder Agents* and *Undersea Agents* while Charlton put Ditko to good use illustrating the stories of the new *Blue Beetle*, *Captain Atom*, and *Nightshade* and the very Ditkoesque *The Question*.

I am so looking forward to this volume in this series; *The American Comic Book Chronicles 1965-1969* charts an era as new blood came into the industry and new formats and genre were shaking up the capes and cowl stuff that was crowding the spinner racks.

I've never been disappointed in any books or magazines coming from Twomorrows and I'm all ready to sit back a read about the pre Mylar, slab, graded days of comics when Peter Parker hit the jackpot, Boston Brand's final flight in the big top, and according to Ditko the answers to questions were always black and white.

BEAUTIFUL DARKNESS HC
(W) Fabien Vehlmann
(A/CA) Kerascoet

A dark fairy tale about surviving the human experience, *Beautiful Darkness* is a harrowing look at the human psyche and the darkness that hides behind the routine politeness and meaningless kindness of civilized society. The sweet faces and bright leaves of Kerascoët's joyful watercolors only serve to highlight the evil that dwells beneath, as characters allow their pettiness, greed, and jealousy to take over. It a bleak allegory on the human condition, Kerascoët's and Fabien Vehlmann's work is a searing condemnation of our vast capacity for evil writ tiny. (STK622626) (C: 0-1-1)

NANCY: A DRAGON IN HELL ONE SHOT
Amigo Comics

The Savage Dragon is stuck in hell and only a dead cheerleader named Nancy can help him fight his way out of perdition! While Erik Larsen's Savage Dragon is no stranger to crossovers, this will be Nancy's first and in another twist this one shot is being published by Amigo Comics with Image Comics' blessing.

B-Movie horror fans can't go wrong with this one! As you would expect, our heroes will have to fight their way through a horde of demons and it seems that each one of them is just am packed with blood and guts that are begging to be spilled with a hack of Nancy's chainsaw. Will the Dragon and Nancy be able to slash and bash their way to salvation or will they burn for all eternity?

Nancy: A Dragon in Hell One Shot is written by El Torres, the creator of *Nancy in Hell*. El Torres also created and writes *Lunita* and the hit series *Rogues!* for Amigo Comics. Be sure to pick up *Nancy: A Dragon in Hell* in February and own the first crossover between Image and Amigo Comics!

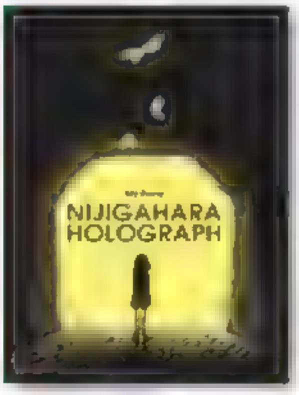
NEW TITLES

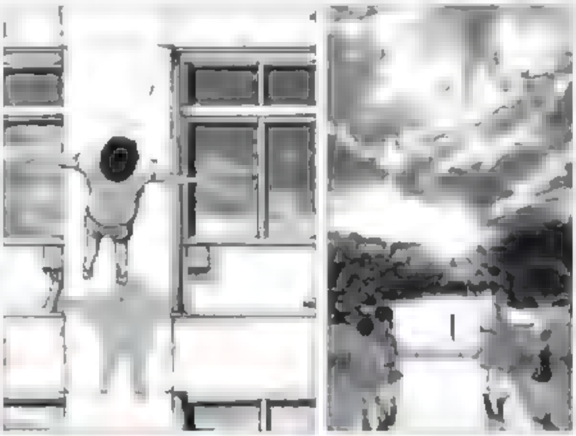


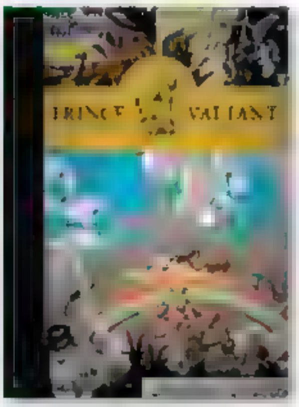
NIJIGAHARA HOLOGRAPH

by Inio Asano ; translated by Matt Thorn

$39.99 / HC / 296 pgs / BW / 7 x 9.25

Eisner award nominee Inio Asano (*Solanin*) enters [illegible] territory with this small-town horror story involving macabre subterranean creatures and, perhaps, the end of the world. Rendered in a less traditional Manga style, Asano's crisp and detailed panels are a welcome addition to Fantagraphics' expanding literary Manga line.





PRINCE VALIANT VOL. 8: 1951-1952

by Hal Foster

$35.00 / HC / 100 pgs / FC / 10.25 x 14

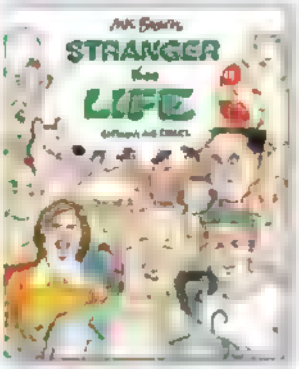
Our continuing reprinting of Hal Foster's sumptuous epic enters the 1950s. This volume includes the second half of "The Missionaries" and concludes with the beginning of "Valhalla." *Prince Valiant Volume 8* also includes an article on Foster's "[illegible]" ad campaign paintings from the 1930s. Once again, the pages have been scanned directly from Foster's personal collection of syndicate proofs, providing the most spectacular recreation of these [illegible] Sunday newspapers 60 years ago.

ZERO HOUR AND OTHER STORIES

by Jack Kamen, Al Feldstein, et al.; edited by Gary Groth and J. Michael Catron

$28.99 / HC / 168 pgs / BW / 7 x 10

Fantagraphics' popular EC Library series continues with the science fiction work of Jack Kamen. On the surface, Kamen's style may seem wholesome but dark surprises and twists lurk just below the surface. Contains 22 classic EC yarns along with the usual all-new biographical, historical and critical essays that have made Fantagraphics' EC Library series the ultimate version of these classics.



STRANGER THAN LIFE: CARTOONS & COMICS 1970-2013

by M.K. Brown

$28.99 / SC / 248 pgs / B&W with 16 pages color / 8.5 x 11

The long-awaited career retrospective of M.K. Brown, one of America's greatest humorists. Culled from *The Atlantic*, *National Lampoon* and *The New Yorker* plus underground publications such as *Arcade*, Brown satirizes suburban anxiety and ennui by turning it upside-down and sideways, and her slightly grotesque yet lovable characters are perfectly captured in her restless pen line and delicate jewel-tone watercolors.

CANNON

by Wallace Wood

$35.00 / SC / 392 pgs / BW / 10.75 x 7.5

A riotous and raunchy no-holds-barred spy romp featuring beautiful women, explosive gunplay, naked catfights, Hitler, death from above... and more naked women! Because *Cannon* first appeared in the U.S. military newspaper *Overseas Weekly* in the 1960s, it was not subject to the usual editorial censorship, and legendary artist Wallace Wood took full advantage. Drawing from fresh, newly unearthed source material, Fantagraphics Books will be producing the biggest, boldest, best-looking collection of *Cannon* ever!

FURARI HC
(W/A/CA) Jiro Taniguchi
Jiro Taniguchi returns with this delightful and insightful tale of life in a Japan long forgotten. Inspired by an historical figure, Tadataka Ino (1745 – 1818), Taniguchi invites us to join this unnamed but appealing and picturesque figure as he strolls through the various districts of Edo, the ancient Tokyo, with its thousand little pleasures. Now retired from business he surveys, measures, draws and takes notes whilst giving free rein to his taste for simple poetry and his inexhaustible capacity for wonder. Taniguchi slips easily into the heart and mind of this early cartographer and reveals his world to us in full graphic detail so we may fully perceive and understand. (STK630621)

THE WALKING MAN: 10TH-ANNIVERSARY EDITION HC
(W/A/CA) Jiro Taniguchi
Ten years after its first publication, reprinting Taniguchi's most cherished title. A book in which nothing happens but everything occurs. *The Walking Man* follows a modern day Japanese business man as he strolls at random through urban Japan – often silent, usually alone – with his vivid dreams that let time stand still. Join him as he climbs a tree in bare feet, takes time out to observe the birds, plays in the puddles after the rain and returns a shell to the sea. Take some stress out of your life and relax with *The Walking Man* a little step every day. (STK630622) (C: 0-0-1)

BABY'S IN BLACK TP
(W/A/CA) Arne Bellstorf
The heart of *Baby's In Black* is a love story. The "fifth Beatle," Stuart Sutcliffe, fell in love with the beautiful Astrid Kirchherr when she recruited The Beatles for a sensational (and famous) photography session in Hamburg at the beginning of the band's career. Sutcliffe's meteoric rise as a modern artist was cut short when he died unexpectedly a year later. This *New York Times*-bestselling comic presents the early career of The Beatles in moody black and white artwork by rising German comics star Arne Bellstorf. Jimmy Gownley's graphic novel memoir about the "dumb" idea that changed his life forever! What if the dumbest idea ever changed your life forever? At thirteen, Jimmy was popular, at the top of his class, and the leading scorer on his basketball team. But all that changed when chicken pox forced him to miss the championship game. Then things went from bad to worse when he got pneumonia and missed even more school. Before Jimmy knew it, his grades were sinking and nothing seemed to be going right. How would Jimmy turn things around, get back on top at school, and maybe even get a date with the cutest girl in school? Jimmy Gownley shares his adventures as he grows from an eager-to-please boy into a teenage comic book artist and how the dumbest idea ever actually became the best thing that ever happened to him! THE GREAT AMERICAN DOCUMENTS VOLUME 1: PROLOGUES OF PROMISE 1620-1830

(W) Ruth Ashby (A/CA) Ernie Colon

The Great American Documents series, written by the graphic-book author Ruth Ashby and illustrated by the renowned Ernie Colón, tells the history of America through the major speeches, laws, proclamations, court decisions, and essays that shaped it. Volume 1 walks readers through twenty major documents bookended by the *Mayflower Compact* in 1620 and the Indian Removal Act of 1830. Each document gets its own chapter in which the narrator, Uncle Sam, explains not only its key passages but its origins, how it came to be written, and its impact. Ashby's balanced and teachable theme is that these twenty documents embodied our early struggles to live up to the principles of liberty and equality. (STK630095)

THE BUNKER #1

Oni Press

Oni Press is on a winning streak! With hit releases like *Letter 44* and now *Bunker*, Oni is truly giving fans high-quality comics that are as action-packed as they are thought-provoking; Comics that are not only exploring new, exciting territories but are also challenging the conventions of and breathing new, shocking life into established archetypes.

This month *Bunker* gets added to their excellent repertoire delivering high-class psychological suspense and mind-bending, hair-raising science fiction that literally throws the (post) apocalyptic genre into the Twilight Zone.

The story follows five friends who go into the woods to bury a time capsule but instead come across a bunker filled with relics left by their future selves describing an apocalypse they brought about — an apocalypse they can either prevent, ignore, or exacerbate. From page one master story-teller Joshua Fialkov (*I, Vampire*, *Ultimates*) takes the reader through a mental and physical time warp that is only further intensified by Joe Infurnari (*Marathon*) hauntingly captivating artwork. If you like psychological horror, science fiction that disrupts the very laws of space and time, or simply looking for something fresh and exciting that will keep you coming back for more, *Bunker* is that series and an absolute must!

AYA: LIFE IN YOP CITY

Drawn & Quarterly

There are many things that make Drawn & Quarterly's *Aya: Life in Yop City* a great book, but what is truly beautiful about this graphic novel is that although it takes place in West Africa — specifically the Ivory Coast in 1978 — this is a story that everyone can relate to. In fact, with Marguerite Abouet and Clement Oubrerie's full-bodied and compassionate cast of characters readers cannot help but become absorbed in this fun, charming, and deeply personal story about a young girl growing up in Yop City. Upon opening the book, the reader is confronted with playful coloring, bold texturing, and a purely organic art form that compliments the colorful storyline and makes *Aya* a downright wonderfully crafted volume.

Upon reading *Aya: Life in Yop City* and then the sequel *Aya: Love in Yop City*, I felt enriched in way only a graphic narrative that touches on the incredible simplicity of the human experience can. This book is as perfect for public libraries and comic shops as it is for one's personal library. And with Black History month coming up in February, the *Aya* series is the perfect selection for readers looking for a fun book that gives the reader a fantastic glimpse into the lives of an average, everyday West African family.

God is Disappointed in You is for people who would like to read the Bible — if it would just cut to the chase. Stripped of its arcane language and its interminable passages of poetry, genealogy, and law, every book of the Bible is condensed down to its core message, in no more than a few pages each. Written by Mark Russell with cartoons by *New Yorker* cartoonist Shannon Wheeler, this is a frequently hilarious, often shocking, but always accurate retelling of the Bible, including the parts selectively left out by Sunday School teachers and church sermons. THE BOJEFFRIES SAGA GN

(W) Alan Moore

(A/CA) Steve Parkhouse

Jobremus Bojeffries is like any other father — trying to keep the peace in a house stuffed with two kids (Ginda and Reth), uncles Raoul and Festus, a baby and old Grandpa Podlasp. Never mind that one's a werewolf, one's a vampire, Grandpa is in the last stages of organic matter, and the baby puts off enough thermonuclear energy to power England and Wales. All right, they're no ordinary family. And this is no ordinary book, with stories spanning decades, a whole chapter written as light opera, a Christmas episode, and an all-new 24-page comic bringing the Bojeffries up to the present day. On every page, the wry and anarchic creativity of the creators shines through. Alan Moore's affectionate and penetrating grasp of human nature (and British culture) creates a kind of desperate poignancy in the characters, brought to memorable life by Steve Parkhouse's deft and articulate line work. It's all there: untutored, unpolished, ramshackle and always on the edge of collapse. (STK629679) (C: 0-0-3) **NOTE:** Not available in the U.K. (May purchase from U.K. vendor)

(W) John Lewis, Andrew Aydin

(A/CA) Nate Powell

As seen on *The Colbert Report* and CNN, this is the first graphic novel from a sitting member of Congress, Presidential Medal of Freedom recipient, and American icon. John Lewis rose from humble beginnings to become a national leader of the civil rights movement. This is his story, from an Alabama farm to the March on Washington and beyond, co-written by Andrew Aydin and brought to astonishing life by Nate Powell in a graphic novel trilogy. With a back cover blurb by President Bill Clinton! (STK529383)

BLOOD LAD OMNIBUS VOLUME 4 GN

(W/A/CA) Yuuki Kodama

In the vein of *Soul Eater* demon and human cultures clash in this dark, urban action-comedy! Unwilling to let anyone just waltz away with her little girl, Neyn sends Team Fearless — a crew of vampire slayers — after Staz and Fuyumi as they make their way to Demon World South. Team Fearless has never actually taken down a vampire, but they're looking to make good on their name and "save" Fuyumi. But for a hostage, the girl seems awfully eager to stay at the vampire's side. Has she fallen for the vampire's charms, or just for his blood? (STK630035) (C: 0-1-0)

SC, 352pgs, B&W $20.00

BTOOOM! VOLUME 5 GN

(W/A) Junya Inoue

An expert gamer is forced to play a real-life version of his favorite game in a battle to the death! Unwilling to play by the rules of the twisted minds behind the live-action version of *BTOOOM!* in which he finds himself enmeshed, Ryouta Sakamoto vows, with his comrades, Himiko and Kiyoshi Taira, to find a way off of the deserted island that doesn't involve murder. But when giant carnivorous lizards and stab-happy ex-soldiers count among the residents of this island hell, Sakamoto finds that getting a little blood on his hands is inevitable! THE DISAPPEARANCE OF NAGATO YUKI-CHAN VOLUME 5 GN

(W) Nagaru Tanigawa, Noizi Ito

(A/CA) Puyo

The cast of *Haruhi Suzumiya* returns, but not quite as you know them! A school romance featuring Yuki Nagato set in a universe apart from the shenanigans of the SOS Brigade. Yuki -that is, the "Yuki Nagato" from before her accident-has recovered. Before she awakens, however, she is able to meet the Yuki who had taken her place while she slept. Her other self found the courage to tell Kyon her feelings directly. Now that she's back to normal, is it time for this Yuki to do the same? (STK621648) (C: 0-1-0)

IS THIS A ZOMBIE? VOLUME 7 GN

(W) Shinichi Kimura

(A) Sacchi & Various

Zombies — with a magical twist — and a magical girl! A very zombie Christmas is right around the corner! But what's this? Haruna, Eu, and even Sera seem to be getting jealous over me — or is it just my dead-sharp imagination? And let me tell you, I've been eagerly anticipating my chance to settle the score with that Chris! Say, who in the world is this tiny little girl? Huh? She's interested in me? (STK630033) (C: 0-1-0)

JACK FROST VOLUME 9 TP

(W/A/CA) Ko Jin Ho

A high schooler finds herself decapitated on the first day of school and is caught between life and death in this tale of high school horror. Cornered among the slabs of the Ancient Rock, Helmina comes face-to-face with Dust, head of the West District. With Jack Frost kept busy fighting the West's vicious pack of warriors elsewhere, Helmina is forced to test the strength of her powers against the mighty lycanthrope. Alliances will shift and new powers will rise in the battle for dominance and the mirror image! (STK630029) (C: 0-1-0)

SC, 192pgs, B&W $12.00

JUDGE VOLUME 9 GN

(W/A/CA) Yoshiki Tonogai

In this survival horror manga series, a group of strangers are kidnapped and given the power to decide who among them will live or die. In the abandoned courthouse, to trust is folly. Is that the only rule, the only strategy to staying alive in the twisted game underway within? When the time for the Second Judgment arrives, a ruthless decision is made, to shocking effect. The sinners must accept reality, for idealistic notions have no place among these halls of cruel and swift justice! (STK630030) (C: 0-1-0)

SC, 192pgs, B&W $12.99

PANDORA HEARTS VOLUME 20 GN

(W/A/CA) Jun Mochizuki

The *New York Times* bestselling gothic fantasy with an *Alice in Wonderland* twist. The pathetic farce that has unfolded in earnest is no more than an absurd yarn spun by the man who caused the Tragedy of Sablier by following his heart's desires. The players in his tale begin dancing with abandon, their emotions bottled up inside, as though they are marionettes manipulated by a master puppeteer! (STK630034) (C: 1-1-0) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

SC, 192pgs, B&W $13.00

PUELLA MAGI KAZUMI MAGICA VOLUME 4: THE INNOCENT MALICE GN

(W) Magica Quartet & Various

A brand-new story spun off from the world of the hit anime and manga series, *Puella Magi Madoka Magica*! From the very start, it was Kazumi who drew the girls of the Pleiades Saints together. But no magical girl, however beloved by her friends, is exempt from the fate that awaits them all. Fearing that the evil nut may be accelerating Kazumi's transformation, the girls are divided — can the process be delayed, or should they take out Kazumi while they still can? (STK630031) (C: 1-0-0) **NOTE:** Available only in the United States, U.S. Territories, Canada, and the U.K.

SC, 144pgs, B&W $12.00

THERMAE ROMAE VOLUME 3 HC

(W/A/CA) Mari Yamazaki

This surprise bestseller in the Japanese market has been an incredible success story and has spawned a major motion picture! Though he has been trapped in the 21st-century for several weeks, Lucius is still amazed at the wondrous innovations of the flat-faces people, and meeting Satsuki has given him an even greater understanding of the things he has seen, not to mention an undeniable flutter in his heart. But despite his curiosity for this land, Lucius worries at the amount of time that has passed since he left Rome. The political atmosphere was already tense after the death of the emperor's heir, and Lucius fears what may befall Rome and the ailing Hadrian in his absence! (STK630032) (C: 0-1-0)

Meet Vesper Grey, and her friend Corrick. They are knee-deep in it. Vesper's boring life quickly gets turned upside down when she meets the supernatural bodyguard she didn't know she had, and they soon find themselves traveling the legendary Cowboy Country of the late 1800s in search of her father's life work.

K. Lynn Smith doesn't so much tell you a story as she does drop you in a world of her own. Not quite Western, verging on Steampunk, the characters are anachronistic to say the least, but the writing has such an effortless flow, it feels perfectly natural. Laid out in an almost storyboard style, Smith manages to be succinct while leaving action little to the imagination.

If you enjoy shows like *Warehouse 13* or *Sleepy Hollow* or films like *The Wild Wild West*, this should be your next read.

ROBOCOP MOVIE TIE-INS
BOOM! Studios

If any movie could be considered ripe for the "remake treatment" in Hollywood and still leave room for improvement on the original, it's *Robocop*. A successful film franchise in the 90's and a personal favorite of my younger self, *Robocop* was a perfect comic book movie without the comic book (at least at first). Robocop now comes back to theaters in 2014 and, with it, a line of comic books designed to elaborate on the story instead of simply imitating it.

Through four stand-alone comics, the *Robocop* movie tie-in series expands the vision of the new Robocop movie by telling the stories that are happening before, during and after the events of the upcoming film. How did scientists perfect the Robocop program before Alex Murphy? While Robocop takes on street crime, how will his actions affect the crooked cops, politicians, and businessmen of Detroit? These are some of the questions the comic series will put into perspective as readers get geared up for the theatrical release.

Written by a team of experienced comic writers, choose from *Robocop: Beta*, *Robocop: Memento Mori*, *Robocop: To Live and Die in Detroit* and *Robocop: Hominem Ex Machina* for your robotic crime-fighting fix.

LOKI: RAGNAROK AND ROLL #1
BOOM! Studios

There's God Loki, Marvel Loki, Lady Loki, kid Loki, movie Loki, Tom Hiddleston's fangirls' Loki, internet-cat Loki, and neighbor's sad pug Loki, but that whole pantheon can step back a moment because now there's *Ragnarok and Roll Loki!* An irreverent twist on the typical "Thor good! Loki, Bad!" dynamic, Jerry Gaylord and Eric Esquivel bring the same sassy swagger to BOOM's newest deity as their recent comic-shop favorites Fanboys Vs. Zombies and Freelancers.

Loki's a liar and everybody knows it — but there's no brother on heaven or earth who wouldn't take advantage of a reputation like that. Thor may not be bright, but he still manages to get Loki drop-kicked from the All-Father's house down into the mortal realms. What's an angry young man supposed to do in L.A. after dark? Check out the clubs, naturally! Goth clubs, for sure. Clubs where "Loki" is not an unusual name, where black leather blends in, and where a skinny, self-assured, beautiful man with daddy issues can really gather quite a following...

PEEP-MACHINE PIN-UPS: 1940S-1950S MUTOSCOPE ART HC

(W) Dan Preziosi, Tina Skinner
(A) Earl MacPherson & Various

Peep-Machine Pin-Ups

Machines called Mutoscopes offered quick shows for a penny from 1895 until as late as the 1970s, flipping cards to create the impression of a "moving picture." During the 1940s, the International Mutoscope Reel Company began to manufacture coin-operated vending machines that served up 5-1/4" x 3-1/4" cards for collectors, usually of "pin-up" material. These cards are widely collected today, and a wonderful source of inspiring low-brow artwork. This comprehensive collection of more than 250 images includes work by noted artists Zoe Mozert, Earl Moran, and Gil Elvgren, among many other signed and unsigned, talented portrayors of the female form. ONE THOUSAND YEARS OF MANGA HC (SALE EDITION)

(W/A/CA) Brigitte Koyama-Richard

In recent years, Manga has seen phenomenal success, not only in Japan, where it dominates the publishing industry, but also in the West. As swift and sudden as the popularity of this graphic art form may seem, Manga has, in fact, deep roots in Japanese culture, drawing on centuries-old artistic traditions. Today there is little doubt as to the meaning of the term Manga, but few in the West understand the long artistic history that gave birth to this phenomenon and the social factors that continue to shape it today. *One Thousand Years of Manga* is both an informative account of the genesis of the form and a visual delight. SHAOLIN COWBOY 14-INCH VINYL FIGURE
(A) Geof Darrow
From Wednesday's Finest! Since the initial *Shaolin Cowboy* comic book series came to an end in 2007 fans of Geof Darrow's magnificently drawn, peacefully ferocious, Shaolin Cowboy character have been clamoring for even more of the monk and there hasn't been much to go around — until now! Wednesday's Finest is proud to present its debut figure, the 14" vinyl Shaolin Cowboy. This is the first time the Shaolin Cowboy has been immortalized in 3 dimensions. Based on art provided by the legendary Geof Darrow and sculpted by the world-renowned *Monster 5*, this figure is creator-approved by Darrow and ready for action! He comes with a sword that attaches to the back of his belt and a pistol that can be holstered to his side. The packaging is original Geof Darrow artwork on every side and vividly colored by Peter Doherty. This highly collectible figure will have an initial run of only 500 figures, 400 in the "Original" color-way and 100 in a Geof Darrow selected "Rio Bravo" color scheme. This figure is sure to follow in the footsteps of the comic book, limited supply, high demand — that means *do not miss out!* ***Item has been previously solicited in* Previews Plus.** Scheduled to ship in February 2014 (7143) (C. 0-1-1)

O/A TOKIDOKI: CACTUS ROCKER VINYL FIGURE

(A) Simone Legno

The cactus is a sign of protection. Kids are naive and vulnerable and need protection. A monster into a cactus suit would not have made much sense in my vision of things. Sandy and her friends zip themselves into cactus suits because they think the world is a cold and scary place, and they need som armore to face it. The cactus is the conserver of water, and water means life. The *Cactus Friends* for me are the representation of life, of being fragile and strong at the same time... and pure like water. A SONG OF ICE & FIRE: KING ROBERT'S WARHAMMER REPLICA

In his youth Robert Baratheon was a paragon of a man, stronger and larger than most others on the battlefield. His chosen weapon was a war hammer of such immense size his friend Ned Stark could not wield it. The hammer was forged by Donal Noye while he was still the smith at Storm's End, and Robert's prowess with it was legendary. In tournaments he was never much for jousting, preferring a melee where he could bludgeon his opponents senseless. The hammer's haft is made of steel with genuine leather wrap and 24k gold plated accent rings. The head features cast metal with antique finish and gold painted inlay and measures 14.5" long. Overall, the Robert Baratheon's Warhammer replica measures 44" long and weighs 10 pounds. (STK630146) Scheduled to ship in February 2014. (1710/VS0004) (C: 1-1-1) **NOTE:** Available only within the United States and U.S. Territories.

O/A STAR WARS: X-WING FIGHTER SNAPTITE MODEL KIT

The X-wing has been continually updated throughout its design lifetime. The original T-65B fielded by the Rebel Alliance was a competent strike fighter for its time, but was soon supplanted by the T-65CA2, boasting improved acceleration. The T-65CA3 improved the avionics, shields and sensors, the T-65CA4 was primarily another engine upgrade, which made it nearly the equal of the A-wing in maneuverability. This kit is quick to assemble and requires no glue or painting, it has illustrated assembly instructions, movable wings and laser cannons, movable cockpit cover, can be assembled with or without undercarriage and includes 2 figures. Some assembly required. (STK366398) **Available Now!** (89/85-1B76) (C: 1-1-0) **NOTE.** Available only in the United States, Canada, and U.S. Territories

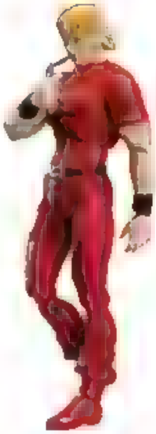
CLASSIC ANIME



COBRA THE SPACE PIRATE COBRA FIGMA

From Max Factory/Good Smile Company! My name is Cobra. The unkillable man with a gun for an arm. The first to join the figma *COBRA* series is being rereleased. *Cobra* himself is back again! Using the smooth yet posable joints of figma, you can act out a variety of different scenes. A flexible plastic is used for important areas, allowing proportions to be kept without compromising posability. His eyes can both be placed facing various directions, allowing you to choose where he is looking in your poses. His revolver, cigar and lighter are all included. The false arm that acts as a cover for this Psycho-gun arm as well as a standard left arm are both included. An articulated figma stand is included, which allows a variety of poses. (STK629953) **Item has been previously solicited in *Previews Plus.*** Scheduled to ship in June 2014. COBRA THE SPACE PIRATE: CRYSTAL BOWIE FIGMA

From Max Factory/Good Smile Company! "Cobra..., it seems we'll finally be able to settle the score today." The third character to join the figma COBRA series is Cobra's archenemy, Crystal Bowie! Using the smooth yet posable joints of figma, you can act out a variety of different scenes. A flexible plastic is used for important areas, allowing proportions to be kept without compromising posability. Crystal Bowie's unique transparent look and golden skeleton have been faithfully retained without exposing his joints. An alternate standard arm as well as a whiskey glass are included for non-combat scenes. A damaged torso part is included to recreate one of his epic battles with Cobra. His head, claw hand and various other areas make use of a metallic paint coat to recreate his unique texture. An articulated figma stand is included, which allows a variety of poses. (STK629948) **Item has been previously solicited in *Previews Plus.*** Scheduled to ship in June 2014. DC HEROES

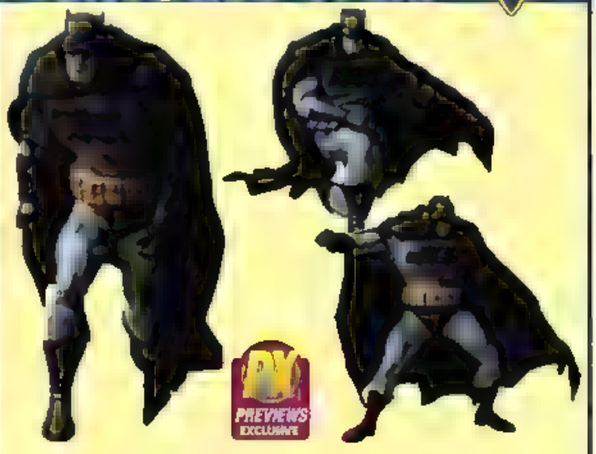
FEATURED ITEM



BATMAN: THE DARK KNIGHT RETURNS REAL ACTION HERO

From Medicom! Frank Miller's seminal graphic novel *The Dark Knight Returns* redefined Batman for the 1980s with its grim take on Gotham City's champion, a man who had retired in the face of tragedy and was forced to once again don the cape and cowl when his city was threatened. Medicom recreates Miller's take on Batman with the new *Batman: The Dark Knight Returns RAH Figure*. Medicom's Real Action Heroes figure brings the character to life as a 12" tall figure with fabric clothing and fully-articulated joints, making this one of the most accurate Batman figures ever created. (STK530138) Scheduled to ship in August 20 4 (4239) (C 1 1 2) **NOTE:** Not available in Asia.

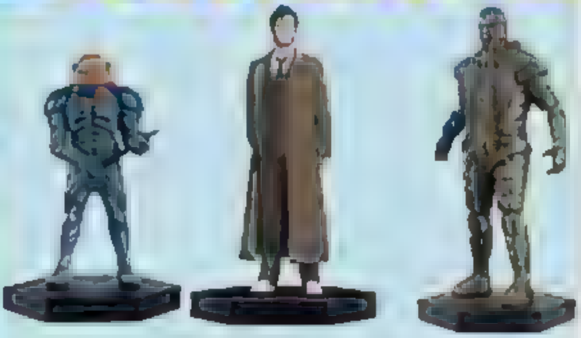
DOCTOR WHO

SPOTLIGHT ON



DOCTOR WHO FIGURINE COLLECTION #7 - #9

From Eaglemoss/Underground Toys! Celebrate 50 years of the Doctor and his greatest monsters with a unique figurine collection based on the world's longest running Sci-Fi television series! The series draws from every era of the show and includes all eleven versions of the Doctor plus his greatest monsters. Cast in a specially formulated metallic resin and painted by hand, every figurine in the collection is sculpted with incredible care and attention to detail. Every character is shown in a classic moment from a specific episode. The process begins by collecting detailed reference material from the *Doctor Who* archives, which is then sent to the sculptor who produces a 3D digital sculpt. This sculpt is refined in consultation with the BBC's Doctor Who team before it is finally approved. The factory scales the digital files to exactly 1:21 scale and uses them to make precision tools. The figurines are cast in a special metallic resin and painted by hand, using original production color references, and then given final approval by the BBC. Continue your collection with the *Sontaran General* (#7), the *Tenth Doctor* (#8), or the *Ice Warrior* (#9) (STK630755) Scheduled to ship in March 2014. AVENGERS: CAPTAIN AMERICA ACTION HERO VIGNETTE

From Dragon Models! A Previews Exclusive! Dragon Models and DART (Dragon Advanced Research & Technology) are excited to introduce our latest innovation in 3D technology. Marvel Avengers "Action Hero Vignettes" in 1/9 scale. Pre-painted and with just the snap of a few parts, you can have a highly detailed desktop display of your favorite Avenger! Developed in 3D, using official data from Marvel, Captain America is highly detailed and accurate and is capable of taking dynamic poses on its diorama base. A hybrid between a display figure and a kit, Dragon brings you the best of both worlds. The use of model kit techniques allow us reproduce the intricate details and sharp lines to maximize the usage of the official 3D character scans. The use of the static display concept ensures that there are no cooling lines on the torsos and no visible ball joints that are prominent in most "action" figures. Additionally, the figures are set in a Marvel suggested pose so that the body portions won't be deformed when the poses are changed. (STK627274) Scheduled to ship in February 2014. IRON MAN 3: IRON PATRIOT ACTION HERO VIGNETTE

From Dragon Models! A Previews Exclusive! If *The Avengers* was the most anticipated movie of 2012, then the title for 2013 undoubtedly went to Marvel's *Iron Man 3!* Since the world renowned kit producer Dragon Models last brought you their popular Avengers line of products, Dragon's Advanced Research & Technology Team (D.A.R.T.) has been hard at work to bring you their latest line of Iron Man 3 items! Both familiar and also a bit unfamiliar to the Iron Man cinematic universe is the Iron Patriot. Not just a re-colored War Machine armor in a more patriotic tone, there are also some subtle differences including a star-shaped chest piece, and Dragon makes note of them all and is re-created in our Iron Patriot offering. There are no cutting corners with Dragon! Also developed from official Marvel 3D material, our Iron Patriot comes in a cool "floating in mid air" pose with a display base. O/A STAR TREK: THE NEXT GENERATION — USS ENTERPRISE NCC-1701-D KEYCHAIN

Now you can travel with the Federation's 24th-century flagship: the *USS Enterprise* NCC-1701-D. Quantum Mechanix has taken the sixth starship to be named Enterprise and created a sleek screen-accurate replica in a zinc steel alloy with a pewter finish. The ship's hefty saucer and proportionally smaller warp nacelles reflect the greater efficiency of the engines compared to the original Enterprise, and attached to its stardrive is a keyring for hanging your keys. (STK518284) (7814/STR0030) (C: 0-1-0)

Keychain $11 95

O/A STAR TREK: THE NEXT GENERATION — COMMUNICATOR BADGE REPLICA

QMX's *Star Trek: The Next Generation* communicator badge was crafted using one of the only remaining sets of original molds, which was painstakingly restored in their artisan model shop. To get the colors and paint details, they studied an actual screen-used badge. And once the design of the original matched, QMX took the whole thing a step further, rendering the replica in gold and silver-finished metal. What sets this wearable badge apart from the original is the clasp, which uses strong, short-field magnets that are embedded in the badge itself and in a glossy backplate. No more pinholes in delicate fabric. It can even be worn on leather and suede. (STK525241) (7814/STR0031) (C: 1-1-0) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

WARHAMMER 40K: BLOOD OF ASAHEIM SC
(W) Chris Wraight
Feral warrior-kings of Fenris, the Space Wolves are the sons of Leman Russ. Savage heroes, few can match their ferocity in battle. After half a century apart, Space Wolves Ingvar and Gunnlaugr are reunited. Sent to defend an important shrine world against the plague-ridden Death Guard, the Grey Hunters clash with the pious Sisters of Battle, who see the Space Wolves as little better than the enemy they fight. As enemies close in around them and treachery is revealed, Gunnlaugr and his warriors must hold the defenders together — even as hidden tensions threaten to tear their pack apart. (STK631494) (C: 0-1-2)
SC, 5x7, 416pgs, B&W $14.00

WARHAMMER 40K: FALSE GODS TP
(W) Graham McNeill
The Great Crusade that has taken humanity into the stars continues. The Emperor of mankind has handed the reins of command to his favored son, the Warmaster Horus. Yet all is not well in the armies of the Imperium. Horus is still battling against the jealousy and resentment of his brother primarchs and, when he is injured in combat on the planet Davin, he must also battle his inner daemons. With all the temptations that Chaos has to offer, can the weakened Horus resist? (STK631506) (C: 0-1-2)

THE DOOM THAT CAME TO ATLANTIC CITY BOARD GAME
It came from Cryptozoic! Written and designed by Keith Baker with concept art, and design by Lee Moyer and custom pieces by sculptor Paul Komoda, *The Doom that Came to Atlantic City* board game invites players to assume the role of one of the Great Old Ones, beings of ancient eldritch power. Cosmic forces have held you at bay for untold eons, but at last the stars are right and your maniacal cult has called you forth. Once you regain your full powers, you will unleash your doom upon the world. There's only one problem: you're not alone. The other Great Old Ones are here as well, and your rivals are determined to steal your cultists and snatch victory from your flabby claws! It's a race to the ultimate finish as you crush houses, smash holes in reality, and fight to call down *The Doom That Came To Atlantic City!* (STK631639) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

DAYS OF WONDER

STAR of the MONTH

SMALL WORLD
(W) Philippe Keyaerts
Small World is a zany, light-hearted civilization game in which 2-5 players vie for conquest and control of a board that is simply too small to accommodate them all! Picking the right combination of fantasy races and unique special powers, players must rush to expand their empires — often at the expense of weaker neighbors. Yet they must also know when to push their own over-extended civilization into decline to ride a new one to victory. (STK390160) (C: 0-1-2)
Board Game (DOW 7901) $50.00

WARHAMMER: THE EMPIRE OMNIBUS SC
(W) Chris Wraight
The Empire is the largest and most powerful realm in the Old World. Founded by the warrior-god Sigmar, it is built up of city-states and provinces that are now bound together under the rule of the Emperor Karl Franz. Only through the actions of its valiant heroes has it repelled the numerous invasions brought against it. This omnibus edition collects together three tales of heroism and sacrifice focusing on the elite swordsmen of the Empire, the mighty warrior-priests of Sigmar, and the powerful war machines of the Engineering College. RISK LEGACY

How will you shape your world? In *Risk Legacy*, every game you play will change every future game. A decision you make in Game 1 could come back to haunt you in Game 10. The risks you take in *Risk Legacy* are not like those in any other board game. You and the other players will shape how your world evolves: its history, its cities, even its factions and how they fight. Cards and stickers will come into play. Cards will go out of play forever. You don't forget past betrayals — and neither does the game. Unlock new rules and watch events unfold as you play more games. No two games will *ever* be the same. Play **your** game. Write **your** history. (STK452334) (C: 1-1-2) (JUN118204) **NOTE:** Not available in Germany.

The Half-Dead City

PATHFINDER ADVENTURE PATH: THE MUMMY'S MASK PART 1: THE HALF-DEAD CITY

The Mummy's Mask Adventure Path begins with "The Half-Dead City," an exciting new adventure in the pyramid-laden realm of Osirion, Land of Pharaohs! In Wati, the half city, the church of Pharasma holds a lottery allowing explorers to delve the tombs of the city's vast necropolis in search of the nation's lost glories. In the course of investigating dusty tombs and fighting their ancient guardians and devious traps, the heroes encounter a rival adventuring group intent on keeping one tomb's treasures for themselves. At the same time, the heroes learn that a potent artifact, potentially capable of animating the dead, has been stolen from the tomb. Can the adventurers defeat their rivals, or will they join the undead defenders of the city's necropolis? "The Half-Dead City" is a *Pathfinder Roleplaying Game* adventure for 1st-level characters. FARSCAPE: THE COMPLETE SEASON ONE—15TH ANNIVERSARY EDITION
From Flatiron Film Company! Flung through a cosmic wormhole, American astronaut John Crichton finds himself fighting for his life in the middle of an alien prison break inside a Leviathan — a living space ship — on the far side of the galaxy. Hunted by the relentless Crais, a commander of the galactic enforcers known as Peacekeepers, Crichton joins forces with the alien convicts — hulking warrior Ka D'Argo; blue-skinned Priestess Zhaan, diminutive Dominar Rigel XVI, the giant symbiote Pilot and the "irreversibly contaminated" Peacekeeper Aeryn Sun. Each desperately seeks a way home, but first they have to find a way to trust one another. Daring escapes and selfless acts of courage forge a measure of loyalty, friendship and even love. The first season's breakneck action heats up with the introduction of the coquettish thief Chiana and the sinister Scorpius with his dreaded Aurora Chair. Arrival and departure, birth and death, rescue and betrayal, all lead up to a season finale cliffhanger that is, literally and figuratively, breathtaking. (STK630518) (C. 0-1-1)

FARSCAPE: THE COMPLETE SEASON TWO—15TH ANNIVERSARY EDITION
From Flatiron Film Company! Farscape Season Two unfolds as a tapestry of histories and mysteries. Following Season One's harrowing finale, John Crichton and the crew of the living space ship Moya must now evade the villainous Scorpius. But that's even harder than it seems, thanks to the insidious connection Scorpius has forged with Crichton. And if the Peacekeepers weren't enough trouble, Crichton and company soon cross paths with the ambitious, reptilian Scarran race. The crew's unstable camaraderie is tested when they discover the part a crew member played in the brutal fate of Moya's first Pilot. Things spin even further out of control as the crew struggles to deal with the violent nature of Moya's offspring – not to mention murders, royal weddings, identity crises, terrorists and slave traders. Building upon the mind-boggling Season 1, *Farscape* Season Two delivers even more ingenious stories, extraordinary new characters, its razor-sharp dialogue and dazzling special effects, from the artists at Jim Henson Productions. UNCLE SCROOGE

When December rolls around, you can be sure that the comics will be ushering in the Holidays with covers that celebrate the season! And they've been doing it for decades, which means that there are a TON of Holiday-themed covers from every imaginable publisher.

So, as a Holiday treat for our readers, we scoured the archives for some familiar and obscure covers to unwrap. Heck, we even found a couple of covers that celebrate Hanukkah!

FLIPside

Back in the Golden Age, Christmas covers were an annual occurrence enjoyed by fans…

Sensation Comics
Action Comics

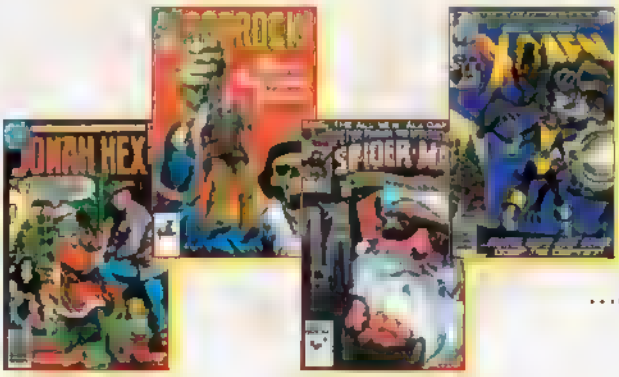
Throughout the years, from the '50s and '60s, the Holidays continued to be a yearly tradition, no matter what the actual book might be about!

Tom and Jerry
Panic
Vault of Horror

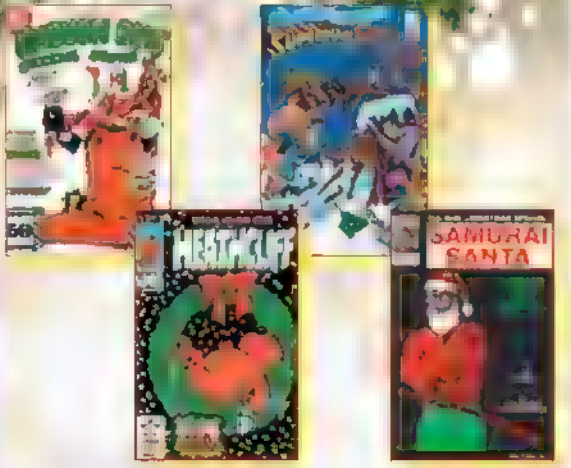
In the'70s, DC and Marvel continued the tradition with special oversized Holiday specials, known as "Treasury Editions". These were often filled with new material, as well as reprints, and kids waited every year for their release…

Giant Superhero Holiday
Giant Superhero Holiday

In the '80s, the Holidays continued to enjoy Comic Book coverage, but things were getting a little "grim & gritty"….



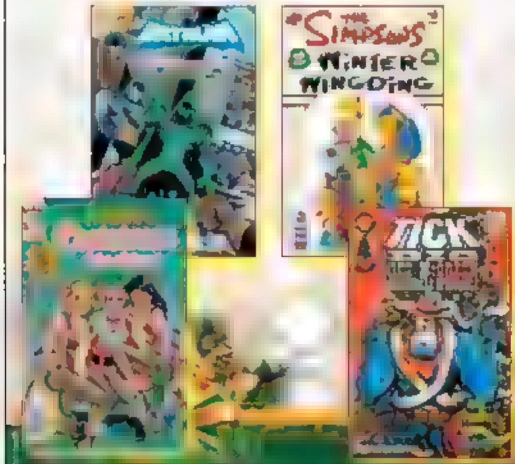
JONAH HEX
ROCK
SPIDER-M
X-MEN



HEATHCLIFF
SAMURAI SANTA

…and they were also getting plenty "goofy" too!

From the '90s to today, the tradition has continued, with a wide range of series featuring Holiday covers.

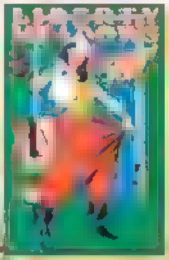


The Simpsons
Winter Wingding
TICK

There are literally hundreds of Holiday themed comics out there, and these were but a sampling.

From all of us at ***PREVIEWS***, we wish you

a Merry Christmas…



… and a Happy Hannukah!

WOLVERINE NO MORE?

After the events of KILLABLE, Wolverine has something to prove. Before he can take on Sabretooth again, he'll need to build himself back up, get better and stronger than he's ever been…but it's not as easy as he thought, and he'll soon find himself turning to other means of revenge when the normal channels don't seem to be working fast enough. Can he fight back his demons, or is this the beginning of a Wolverine who's gone to the dark side?

SHE-HULK #1

JENNIFER WALTERS IS…THE SHE-HULK! A stalwart Avenger, valued member of the FF, savior of the world on more than one occasion, she's also a killer attorney with a pile of degrees and professional respect. A 7-foot-tall drink of cool, emerald water, she's tough enough to knock out Galactus with one punch (possibly?) and has a heart bigger than the moon. But juggling cases and kicking bad guy butt is starting to be a little more complicated than she anticipated. With a new practice, a new paralegal and a mounting number of super villains she's racking up as personal enemies, She Hulk might have bitten off a little more than she can chew…but she just calls that that Tuesday.

WINTER SOLDIER: THE BITTER MARCH #1 (OF 5)

1966: With Nick Fury missing, and presumed dead, global espionage agency S.H.I.E.L.D. sends secret agent Ran Shen to collect two Nazi scientists with the key to defining who wins the Cold War. But the Americans are not the only ones who want the high value scientists. The Soviets have opened the Red Room, releasing their most dangerous operative --The Winter Soldier, who unbeknownst to the world, is the presumed-dead partner of Captain America—Bucky Barnes! The brainwashed soldier's mission: to acquire the scientists by any means or to kill them should they fall into American hands. This classic 60's style, high-octane, spy pulp told at Cold War's peak follows Ran Shen and his terrified scientists as they creep out of the shadow of East Berlin. Intrigue, adventure, romance and murder abound with ramifications that will shatter relationships in the modern-day Marvel Universe—including one with the Star Spangled Avenger himself!

X-FORCE #1

Almost every sovereign state in the Marvel Universe makes use of sanctioned superhumans to protect national interests and pursue a covert agenda. The United States has the Secret Avengers. The United Kingdom has MI13. And mutantkind has X-FORCE. In this dirty, secret, no-holds-barred, deadly game of superhuman black ops, veteran X-Man Cable and his team will spy, torture, and kill to ensure that the mutant race not only has a place in the world…but also a stake in it.

COVER BY JOHN ROMITA

One of the greatest eras in the history of the Man Without Fear begins here! In 1971, DD's new writer, Gerry Conway, and master artist Gene Colan were joined by Tom Palmer to form a creative team that captivated readers. Meanwhile, the Black Widow, fresh off of her own solo adventures—all of which are presented in this volume in stunning MASTERWORKS quality—joined Daredevil, and one of Marvel's greatest duos was born! The action includes revolutionaries, a battle against Spider-Man and the Sub-Mariner, the Man-Bull, the Owl, the Scorpion, the conclusion of the Mr. Kline saga, and the trial of the Black Widow. The drama isn't all action: With the Black Widow in Daredevil's life, what will become of Matt Murdock's relationship with the lovely Karen Page? They say you can never go home. For the Young Avengers, that's not true. They can go home — it's just that if they do, the universe may end. The team takes on the gig to save reality, but is Kate Bishop an enemy in waiting? Will Noh-Varr get an arrow through the head? And is this the end of the loveable/strangle-able Kid Loki? As the Young Avengers take on "the Young Avengers," Loki's scheme reaches its final twist — and the Young Avengers' jaws hit the floor. Then, the team gathers in a nightclub for a string of connected and overlapping stories illustrated by an all-star cast of people we really like. And as the New Year looms, the Young Avengers get a resolution — and so do you. Plus: Kissing! Drama! Conflict! Kissing! Collecting YOUNG AVENGERS (2013) #11-15.

NOVA VOL. 2: ROOKIE SEASON TPB

WRITTEN BY ZEB WELLS
PENCILED BY PACO MEDINA & CARLO BARBERI
COVER BY ED MCGUINNESS

Now that we've learned the new Nova's origin, there's only one thing standing between Sam Alexander and being an Avenger: He needs to ask his mom. Zeb Wells (Robot Chicken) and Paco Medina (ULTIMATE X-MEN) continue the story of Marvel's newest, least experienced hero as he takes on the Superior Spider-Man and encounters the madness of INFINITY! But can Nova handle his first taste of the power of a mad cosmic god? Sam may be well out of his depth, but he's about to get backup from some of the original Nova's allies: that's right, members of the fan-favorite New Warriors! Will Sam help them put their team back together? Big changes are on the horizon for Sam Alexander — and for the newest Nova, the horizon is only an instant away! Collecting NOVA (2013) #6-9 and material from #10.

THE SUPERIOR FOES OF SPIDER-MAN VOL. 1: GETTING THE BAND BACK TOGETHER TPB

WRITTEN BY NICK SPENCER
PENCILED BY STEVE LIEBER
COVER BY MARCOS MARTIN

It's a new sleeper-hit series starring some of Spidey's deadliest baddies! Boomerang and his fellow villains prove that with terrible powers come terrible responsibilities, and Spider-Man will soon learn that with superior villains come superior problems! Out on bail and aiming to stay out of jail, Boomerang must get his cronies on target — but does Frank Castle, the one-man army known as the Punisher, have them targeted already? The Foes have a plan and the means to pull it off, but they're about to learn the hard way that you can't steal the head of Silvermane without severe repercussions! Rising star Nick Spencer teams with Eisner Award-winning sensation Steve Lieber for a walk on the Spider-Verse's evil side! Collecting SUPERIOR FOES OF SPIDER-MAN #1-6.

COVER BY PAOLO RIVERA

What will the Superior Spider-Man do when he encounters the Marvel Universe's greatest heroes? Challenge them, of course! And first up are the Avengers! Then, the Scarlet Spider returns to New York to check on Peter's "superior" behavior, not realizing Doc Ock has taken over Peter's life. But Ock sure knows who Kaine is: the man who once killed him! But when their reunion is interrupted by an army of mutant spider-clones, can Spider-Man and Kaine put aside their differences to deal with the Jackal? Plus: Thanos' forces set their sights on Earth, but the Superior Spider-Man's attention is divided when the lightning-powered Fulmina attempts to return Manhattan to the Dark Ages! Can Luke Cage's Mighty Avengers help Spider-Man turn back an invasion and restore the city? Collecting SUPERIOR SPIDER-MAN TEAM-UP #1-4 and SCARLET SPIDER (2012) #20.

COVER BY SARA PICHELLI

Miles Morales has the powers, costume and web-shooters. But to really learn what it is to be Spider-Man, Miles needs an arch-nemesis…and he may have found one in a terrifying new Venom. The sinister symbiote believes he has discovered who now wears the webbed mask — but Venom has mistakenly tracked down Miles' father! His dad's life in the balance, the fledgling web-slinger faces his greatest challenge yet: to overcome this horrific foe as his fragile secret comes ever closer to being exposed. With aid from Peter Parker's former girlfriends, Gwen Stacy and Mary Jane Watson, Miles confronts the dark side of the Parker legacy. And as his life is turned upside down once again, he learns that — for Spider-Man — with great power there also comes great tragedy. Collecting ULTIMATE COMICS SPIDER-MAN (2011) #16.1 and #19-22.

COVER BY BOB HALL

The Vision takes command! As many of Earth's Mightiest are whisked away to fight in the Secret Wars, the newly assertive synthezoid seizes the chair. He has changes in store when the heroes return, not least his idea for a new team of Avengers on the West Coast. But there are Dire Wraiths and demons to deal with back East, not to mention an army of Hulks and Thanos' monstrous minions the Blood Brothers! Hercules and Black Knight return to the fold, while Starfox discovers an uncanny connection to the Eternals just in time to face the menace of Maelstrom. But as Vision's true plan unfolds, are even two teams of Avengers enough to handle one of their own? Collecting AVENGERS (1963) #242-254 and ANNUAL #13.

THOR BY WALTER SIMONSON VOL. 4 TPB

WRITTEN BY WALTER SIMONSON
PENCILED BY WALTER SIMONSON & SAL BUSCEMA
COVER BY WALTER SIMONSON

Few people have ever left their mark on one character quite the way Walter Simonson has. His work on the Mighty Thor swept the Norse God of Thunder to heights never before seen and rarely achieved in his wake. Spanning epic tales of heroism and treachery, love and war, Simonson's work is often considered the definitive Thor. From the majesty and mystery of fabled Asgard to the gritty streets of New York City, Thor was never the same. That is the mark of a true visionary. This fourth volume continues the collection of Simonson's epic run, including the unforgettable Frog Thor storyline — completely remastered from the original artwork and newly colored by Steve Oliff!
